*Most Valuable* Gare Joyce, 2019-10-29 1 National Bestseller This hockey generation's brightest talent has been plagued by concussions Now the very style of play that has brought Crosby such success may be heralding the end of his career Sidney Crosby is arguably the best player ever to put on skates You could argue that Bobby was better or Wayne or Gordie But it would be hard to argue that any of those guys changed the game as much as Sid No defenceman came along in Bobby's wake to play like him There will never be another 99 But in Crosby's case the entire league was re-made in his image The game can be divided into two eras before and after Sidney Crosby arrived in 2005 breaking Mario Lemieux's rookie scoring record Says NHL star Matt Duchene who entered the league in 2008 just three years after Crosby Just in the time that I was going from peewee and bantam to junior there was a whole other game before and after You didn't have a choice really you had to adapt and adopt the way he did things or get left way behind In an effort to keep up with Sid the game changed It's faster now more skilled There are more highlight reel goals and fewer fights And in many ways Crosby has thrived Three Stanley Cups Two Olympic gold medals A World Cup And enough individual trophies to fill a truck But then if Crosby hadn't

changed the league he might expect a longer career Today Sidney Crosby is the first generational superstar whose every shift could be his last He invented a faster game and the faster game has taken its toll on its creator Crosby has suffered several concussions and missed most of an entire season with symptoms He plays the game fearlessly but he also plays it without a bodyguard The irony is that he created a league that made it harder for him to thrive And the tragedy may be that he has created a league that will bring his career to an end in one fell swoop in front of millions Telling the story of a generational talent and the way he has revolutionized the game Gare Joyce will also bring into focus crucial questions about the way the game is played today assessing fighting and concussions in the light of the way these issues impinge on arguably the greatest player ever to skate

**Jean François Lyotard: Ethics** Victor E. Taylor,Gregg Lambert,2006 Undrafted Nick Kypreos,2020-10-20 True stories and hard won lessons about a life of hockey from a Stanley Cup champion and top analyst As a child growing up in Toronto Nick Kypreos lived for hockey and dreamed of following in his idols footsteps to play in the NHL Hockey was an important part of the Kypreos household It was largely through the game that his immigrant Greek parents acclimatized to their new lives in Canada and from a young age Kyper proved he was more than good enough to move through the ranks But he was never a top prospect he didn t even attend the NHL draft when he became eligible And yet through dedication and constant improvement he made it to the show Kypreos built a career on his tireless work ethic and made a name for himself for always having a positive influence on team morale A medium weight fighter he squared off with the league s toughest players including Chris Simon Joey Kocur Tony Twist and Scott Stevens anything to give his team an edge Ultimately he was brought to the New York Rangers to help them win the Stanley Cup in 1994 their first in fifty four years with the legendary Mark Messier And then he got to live his other dream playing for his hometown team the Toronto Maple Leafs When a concussion forced him to retire early it changed his life But the lessons he d learned on the ice over eight seasons helped him build a new career as a top hockey analyst and personality for Sportsnet For twenty seasons he provided unique insight on the evolving game and a player s perspective on the biggest discussions of the day Revealing fun and brutally honest Undrafted shows the challenges of being a pro player It s a story of the resilience it takes to prove yourself every night and how the right attitude can lead to the greatest success not only in the arena but in life
