High School English Grammar and Composition P. C. Wren, H. Martin, 1995-03 High School English Grammar Composition is one of the most renowned reference guides to learn English Grammar in India. This is a part of the series of books by Wren and Martin and it provides a comprehensive study of grammar. First published in 1935, this grammar book is now being used extensively in numerous schools across Pakistan, India, and Burma. This book has been divided into two sections containing 84 chapters in total. The first part is about Grammar and the second part is about Composition. Some chapters include Synthesis of Sentences, Conjunctions, Direct and Indirect Speech, Comparison of Adverbs, and The Noun. Kinds of Nouns. The content of this book has been greatly influenced by *The Manual of English Grammar and Composition* authored by J. C. Nestfield. Through the course of this book, the authors have dealt with the very basics of grammar such as forming sentences, identifying subject and predicate verbs, using adjectives as nouns, relative pronouns, and much more. The readers are also provided with insights into writing an essay, autobiographies, letters, and stories. High School English Grammar Composition contains numerous exercises on grammar and composition that will help the readers test themselves from every angle.

The Handy English Grammar Answer Book Christine A. Hult, 2016 Whether it's for a professional document, a school paper, an Internet blog, or something more personal, effective communication depends on clear, concise, and grammatically correct writing. Punctuation, spelling, and grammar rules can trip up anyone, while organization and word choice can make writing memorable or banal. Whether you are writing a term paper, a scientific article, a resume, a business email, a text message, or presenting information in the social media, *The Handy English Grammar Answer Book* is an engaging guide to writing with clarity. It offers fundamental principles, grammar rules, and punctuation advice, as well as insights on writing for different occasions and audiences. From a brief history of the English language to the deconstruction and explanation of the different parts of a sentence, and from showing how to punctuate correctly to how to organize a well-argued essay, this easy-to-use reference answers nearly 500 questions and offers fun facts on the English language and its usage, including: How did language begin?
