Humblebrag Harris Wittels, 2014-07-01 From comedian and writer Parks and Recreation Eastbound Down Harris Wittels comes a hysterical breakdown of boasts brags and self adulation disguised as humble comments and complaints based on his popular humblebrag Twitter feed Something immediately annoyed Harris Wittels about Twitter All of a sudden it was acceptable to brag so long as those brags were ever so thinly disguised as transparent humility such as Just filed my taxes Biggie was right mo money mo problems I hate when I go into a store to get something to eat and the male staff are too busy hitting on me to get my order right so annoying Taking action by naming this phenomenon and creating the Twitter account called Humblebrag dedicated solely to retweeting the humblebrags of others Wittels s new word took the Internet by storm Harris also shows readers what humblebrags might look like from some of history s most notable names as well as devoting an entire chapter to a man who just might be the greatest humblebraggart of them all **Humblebrag** Harris

Wittels, 2025-05-01 From comedian and writer Parks and Recreation Eastbound Down Harris Wittels comes a hysterical breakdown of boasts brags and self adulation disguised as humble comments and complaints based on his popular humblebrag Twitter feed Something immediately annoyed Harris Wittels about Twitter All of a sudden it was acceptable to brag so long as those brags were ever so thinly disguised as transparent humility such as Just filed my taxes Biggie was right mo money mo problems I hate when I go into a store to get something to eat and the male staff are too busy hitting on me to get my order right so annoying Taking action by naming this phenomenon and creating the Twitter account called Humblebrag dedicated solely to retweeting the humblebrags of others Wittels s new word took the Internet by storm Harris also shows readers what humblebrags might look like from some of history s most notable names as well as devoting an entire chapter to a man who just might be the greatest humblebraggart of them all Trolling Before the Internet David Rudrum, 2024-11-14 Trolling began long before the internet This accessible history traces the ancestry of its textual and rhetorical strategies by looking at literature from ancient Greece to the 1980s Trolling is the most controversial genre of writing to have risen to prominence in the 21st century with far reaching consequences for its writers and readers alike But it is too often regarded as a technological problem confined to the internet This book takes a very different approach it regards trolling as a cultural problem with a long and venerable literary history Taking in the contrarianism of Lord Byron the wit of Oscar Wilde insult trading in Shakespeare Jonathan Swift s disaster trolling Martin Luther s dissemination of heresy through a public discussion forum the grotesquely misogynistic abuse hurled in Archilochus s poetry the taunting provocations of avant garde manifestos and not forgetting public humiliations in Beowulf David Rudrum demonstrates that trolls rhetorical shenanigans are neither new nor unvanquishable Egotism, Elitism, and the Ethics of Musical Humility William J. Coppola, 2025-05-09 Blending philosophy empirical research and pop culture references Egotism Elitism and the Ethics of Musical Humility takes a penetrating look at how our striving for individual achievement can lead us to grow

disconnected from one another and how humility can help us restore our common humanity In exploring the dangers of egotism and inadequacy in our musical lives Coppola unpacks how institutional and systemic structures like racial oppression gender inequity and the neoliberal drive for continual growth and achievement perpetuate ideologies of elitism and exclusion By reframing our understanding of ethical responsibility as a collective rather than an individual concern the book offers musical humility as an empowering virtue in which we are driven to uplift ourselves and others to celebrate our shared humanity and artistic dignity By embracing musical humility musicians educators and scholars can contribute to social change efforts by fostering honest self reflection facilitating meaningful dialogue and embracing the ethical tensions inherent to our artistic lives      *Reading Humility in Early Modern England* Jennifer Clement,2016-03-03

While humility is not especially valued in modern Western culture Jennifer Clement argues here it is central to sixteenth and seventeenth century understandings of Christian faith and behavior and is vital to early modern concepts of the self As this study shows early modern literary engagements with humility link it to self knowledge through the practice of right reading and make humility foundational to any proper understanding of human agency Yet humility has received little critical interest and has often been misunderstood as a false virtue that engenders only self abjection This study offers an overview of various ways in which humility is discussed deployed or resisted in early modern texts ranging from the explicitly religious and autobiographical prose of Katherine Parr and John Donne to the more politically motivated prose of Queen Elizabeth I and the seventeenth century reformer and radical Thomas Tryon As part of the wider turn to religion in early modern studies this study seeks to complicate our understanding of a mainstream early modern virtue and to problematize a mode of critical analysis that assumes agency is always defined by resistance      **Bullshit** Mark Peters Phd,2015-10-27

An irreverent lexicon of the seemingly infinite ways we call bullshit written by a McSweeney s columnist and etymologist illustrated by a New Yorker contributing cartoonist What s the difference between balderdash and drivel Where did mumbo jumbo come from How should you use meadow mayonnaise What s felgercarb and which popular TV show coined it There are hundreds of common and rare terms for bullshit in English including borrowings from German turn of the century sailors The Simpsons and beyond Bullshit is everywhere but not all of it is created equal Mark Peters s Bullshit A Lexicon is the handy guide to identifying and calling BS in all of its many forms from bunk and claptrap to applesauce and gobbledygook Packed with historical facts pop culture tidbits and definitions for each term Bullshit is perfect for humor readers language lovers and anyone looking to describe life s everyday annoyances      *Connections: Year A, Three-Volume Set* Joel B. *Stupid Humanism* Christine Hoffmann,2017-11-08 This book frames the undeniably copious 21st century performances of stupidity that occur within social media as echoes of rhetorical experiments conducted by humanist writers of the Renaissance Any historical overview of humanism will associate it with copia abundance of expression and the rhetorical practices essential to managing it This book argues that stupidity was and is a synonym for copia making the humanism of which copia is a central element an inherently stupid philosophy A transhistorical exploration of stupidity demonstrates that not only is excess still the surest way to eloquence but it is also just the kind of spammy speculative undertaking to generate a more generous and inventive comprehension of human and nonhuman relationships In chapters exploring the rhetorics of memes attack ads public shaming blogs clickbait and gifs *Stupid Humanism* outlines the possibilities for a humanism less invested in the normative logics that enshrine knowledge eloquence and linear development as the chief indicators of an active articulated selfhood and more supportive of a program for queer knowledge trivial pursuits anti social ethics and the curious relationships that form around and in response to abundance of expression
