Humour A Very Short Introduction

Stephen Fineman

Humour A Very Short Introduction:

Humour Noël Carroll, 2014-01-23 Humour has been discovered in every known human culture and thinkers have discussed it for over two thousand years Humour can serve many functions it can be used to relieve stress to promote goodwill among strangers to dissipate tension within a fractious group to display intelligence and some have even claimed that it improves health and fights sickness In this Very Short Introduction Noel Carroll examines the leading theories of humour including The Superiority Theory and The Incongruity Theory He considers the relation of humour to emotion and cognition and explores the value of humour specifically in its social functions He argues that humour and the comic amusement that follows it has a crucial role to play in the construction of communities but he also demonstrates that the social aspect of humour raises questions such as When is humour immoral and Is laughing at immoral humour itself immoral ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Comedy: A Very Short Introduction Matthew Bevis, 2012-12-20 To consider comedy in its many incarnations is to raise diverse but related questions what for instance is humour and how may it be used or abused When do we laugh and why What is it that writers and speakers enjoy and risk when they tell a joke indulge in bathos talk nonsense or encourage irony This Very Short Introduction explores comedy both as a literary genre and as a range of non literary phenomena experiences and events Matthew Bevis studies the classics of comic drama prose fiction and poetry alongside forms of pantomime comic opera silent cinema popular music Broadway shows music hall stand up and circus acts rom coms sketch shows sit coms caricatures and cartoons Taking in scenes from Aristophanes to The Office from the Roman Saturnalia to Groundhog Day Bevis also considers comic theory from Aristotle to Freud and beyond tracing how comic achievements have resisted as well as confirmed theory across the ages This book takes comedy seriously without taking it solemnly and offers an engaging study of the comic spirit which lies at the heart of our shared social and cultural life ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Humour: A Very Short Introduction Noël Carroll, 2014 Humour is a universal feature of human life In this Very Short Introduction Noel Carroll considers the nature and value of humour from its leading theories and its relation to emotion and cognition to ethical questions of its morality and its significance in shaping society

Comedy: A Very Short Introduction Matthew Bevis, 2013 With a broad scope across the millennia from high literature to popular culture between page and stage and screen this Very Short Introduction considers comedy not only as a literary genre but also as a broader impulse at work in many other historical and

contemporary forms of satire parody and play **Humour** Terry Eagleton, 2019-05-14 A compelling guide to the fundamental place of humour and comedy within Western culture by one of its greatest exponents Written by an acknowledged master of comedy this study reflects on the nature of humour and the functions it serves Why do we laugh What are we to make of the sheer variety of laughter from braying and cackling to sniggering and chortling Is humour subversive or can it defuse dissent Can we define wit Packed with illuminating ideas and a good many excellent jokes the book critically examines various well known theories of humour including the idea that it springs from incongruity and the view that it reflects a mildly sadistic form of superiority to others Drawing on a wide range of literary and philosophical sources Terry Eagleton moves from Aristotle and Aquinas to Hobbes Freud and Bakhtin looking in particular at the psychoanalytical mechanisms underlying humour and its social and political evolution over the centuries *Work: A Very Short Introduction* Stephen Fineman, 2012-11-29 This book examines the social and cultural factors that affect work the ethical consequences of some types of work and the relationship between work and the broader issues of globalization feminism and technology **Humour in the Beginning** Roald Dijkstra, Paul van der Velde, 2022-10-15 Humour in the Beginning presents a multidisciplinary collection of fourteen in depth case studies on the role of humour both benign and blasphemous elitist and ordinary orthodox and heterodox in early formative stages of Christianity Islam Buddhism Hinduism and late antique Judaism Its coherence is strengthened by four preceding theoretical essays many cross references and a conclusion Thus the volume allows for a methodologically sound comparison and explanation of historical views on humour in the world s most important religions At first sight the foundational period of religions do not seem to offer much opportunities for humour A closer look on primary sources however reveals the ways in which people formulated answers to existing ideas on humour and laughter in moments of religious renewal Main topics include the incongruous nature of the divine the role of anthropomorphism superior and didactic humour moderate laughter responses from dissenters and the gap between religious regulations and reality **Bridging the Humor Barrier** John Rucynski Jr., Caleb Prichard, 2020-02-18 The language barrier is a familiar term but what exactly is the humor barrier Humor is a universal phenomenon but the cultural variance in how humor is used can prove to be a major obstacle for English language learners hoping to communicate effectively in cross cultural contexts While a growing number of researchers have explored the importance of helping language learners better understand the humor of the target culture in Bridging the Humor Barrier Humor Competency Training in English Language Teaching editors John Rucynski Jr and Caleb Prichard bring together language teachers and researchers from a range of cultural and teaching contexts to tackle how to actually overcome the humor barrier This book empirically examines humor competency training and presents related research bearing implications for humor training Contributors address a wide range of genres of humor providing fresh insights into helping language learners deepen their understanding and appreciation of the humor of the English speaking world including jokes sarcasm and satire

This book is an excellent resource for English language teachers looking to help their learners avoid the pitfalls and reap the benefits of humor in the target language *Satire, Comedy and Mental Health* Dieter Declercq, 2021-01-13 Satire Comedy and Mental Health examines how satire helps to sustain good mental health in a troubled socio political world Through an interdisciplinary dialogue and a close analysis of satire in various media the book argues that satire helps us cope in a sick world through its ambiguous combination of critique and entertainment *Humor and the Common Good* Michael K. Cundall, Jr., 2025-08-04 The role of humor as helpful in our individual lives has long been touted Satirists and comics have also been known to play important roles in our society But what hasn't been explored is why and how humor and mirth are important to the overall health of the public This book explores the idea of humor as a public good A good that promotes the health and well being of the society and its individual members The book begins with an exploration of the notion of a public good and then argues for a particular view of what a public good is Topics covered will include the importance of humor and mirth to an individual's happiness the role of satire and the comic in our world and how these two pieces together work to promote the public good Content will be devoted to covering what humor is and how it works and why the way it works is also important to the public good Ultimately the argument for humor as a public good is to help grow the purview of humor studies more generally as well as provide a novel argument about the relevance and importance of humor in our public and private lives

Uncover the mysteries within Crafted by is enigmatic creation, Embark on a Mystery with **Humour A Very Short Introduction** .
