

Survey of the machine

Unpacking

Place the machine on the table and remove the plastic covering. Then, the top cover can be used to carry the machine. Open the emergency stop and the foot control in the left side of the machine.

Place the machine clean before you start sewing and be especially careful with the presser foot and the needle around the needle. The machine is equipped with a number of presser feet and these are shown in the picture. Each foot has its own name and its own symbol. Please refer to page 15 under "Accessories list".

The machine has light to change the equipment of the machine without your notice.

Putting the machine away

Put the presser foot on the left side and the needle in the machine. Turn the needle down and turn the foot control and presser foot to the left. Turn the foot control to the left.

Place your feet on the emergency stop and the foot control and carefully placed in the box.

The bottom of the foot control should be turned around the machine. Store the accessories box and presser foot in the presser foot.

To remove the presser foot, turn the handle by moving the handle. The machine can easily be transported.
