Krismis Van Map Jacobs School:

Dialogue in Places of Learning Adam Cooper, 2016-06-23 Showing how youth from one of the poorest and most violent neighborhoods in Cape Town South Africa learn differently in three educational contexts in classrooms in a community hip hop crew on a youth radio show this book illuminates how South African schools like schools elsewhere subtly reproduce inequalities by sorting students into social hierarchies linked to assessments of their use of language Highlighting the voices and perspectives of young South Africans this case study of youth in the global South explores how language is linked to cultural mixing which occurred during colonialism and slavery and continues through patterns of global mobility Dialogue in Places of Learning Youth Amplified in South Africa demonstrates how language and learning are bound to space and place

Skollie John Fredericks, 2017-09-01 In 2016 South African film audiences were mesmerised by the film Noem My Skollie which was written by and based on the life of John W Fredericks In this book Fredericks tells the full story on which the film was based Growing up in a dusty township on the Cape Flats Fredericks formed a gang with his friends and at the age of seventeen he was arrested for robbery and sentenced to two years in Pollsmoor prison A number gangs vied to initiate him into their ranks but he resisted their advances offering instead to help them push their time by telling stories And so he became the prison cinema drawing on his storytelling abilities and cementing his ambition to become a writer Life after prison became a nightmare when he was arrested for a murder he hadn't committed his childhood friends were sentenced to die on the gallows and a gang boss tried to kill him Slowly he turned his life around getting a job and building a family but society kept judging him as a gangster Struggling to deal with his past he turned to storytelling again and painstakingly learnt the art of scriptwriting The result was Noem My Skollie which was watched by almost 90 000 people and won numerous awards Written in a powerful and authentic voice Skollie is a gripping memoir of life on the Cape Flats of prison and gangs and of one man's struggle to survive all this by telling stories Bending the Bow Frank M Chipasula, 2009-08-05

From the ancient Egyptian inventors of the love lyric to contemporary poets Bending the Bow An Anthology of African Love Poetry gathers together both written and sung love poetry from Africa This anthology is a work of literary archaeology that lays bare a genre of African poetry that has been overshadowed by political poetry Frank Chipasula has assembled a historically and geographically comprehensive wealth of African love poetry that spans more than three thousand years By collecting a continent's celebrations and explorations of the nature of love he expands African literature into the sublime territory of the heart Bending the Bow traces the development of African love poetry from antiquity to modernity while establishing a cross millennial dialogue The anonymously written love poems from Pharaonic Egypt that open the anthology both predate Biblical love poetry and reveal the longevity of written love poetry in Africa The middle section is devoted to sung love poetry from all regions of the continent These great works serve as the foundation for modern poetry and testify to love poetry's omnipresence in Africa The final section showcasing forty eight modern African poets celebrates the genre's

continuing vitality Among those represented are Muiyaka bin Hajji and Shaaban Robert two major Swahili poets Gabriel Okara the innovative though underrated Nigerian poet L opold S dar Senghor the first president of Senegal and a founder of the Negritude Movement in francophone African literature Rashidah Ismaili from Benin Flavien Ranaivo from Madagascar and Gabeba Baderoon from South Africa Ranging from the subtly suggestive to the openly erotic this collection highlights love s endurance in a world too often riven by contention Bending the Bow bears testimony to poetry s role as conciliator while opening up a new area of study for scholars and students
