

The background of the cover is a vibrant cosmic scene. In the upper left, a large, detailed Earth is visible, showing continents and clouds. To its right, a bright star or comet streaks across the dark blue and teal space. Further right, a large, glowing pink and purple nebula or galaxy is partially visible. In the foreground, a large, translucent blue sphere, resembling a cell or a planet, dominates the lower half of the image. Inside this sphere, there are smaller, glowing pink and purple structures, possibly representing organelles or smaller celestial bodies. The overall color palette is dominated by blues, teals, and purples, with bright highlights from the celestial objects.
