Dickirson, 2011-04-26 The evolution of automotive climate control systems is told in more than 500 pages including more than 600 pictures The progress made in heaters defrosters air conditioners ventilation systems and windshield wipers since 1897 is enormous This book shows how the automobile manufacturers and suppliers have made driving an automobile safe and pleasant in any type of weather The major changes that have occurred from the early use of lap robes and charcoal heaters to the modern sophisticated electronically controlled systems are fully documented in this book P 4 of cover **American Icon** Bryce G. Hoffman, 2013-02-05 The inside story of the epic turnaround of Ford Motor Company under the leadership of CEO Alan Mulally At the end of 2008 Ford Motor Company was just months away from running out of cash With the auto industry careening toward ruin Congress offered all three Detroit automakers a bailout General Motors and Chrysler grabbed the taxpayer lifeline but Ford decided to save itself Under the leadership of charismatic CEO Alan Mulally Ford had already put together a bold plan to unify its divided global operations transform its lackluster product lineup and overcome a dysfunctional culture of infighting backstabbing and excuses It was an extraordinary risk but it was the only way the Ford family America's last great industrial dynasty could hold on to their company Mulally and his team pulled off one of the greatest comebacks in business history As the rest of Detroit collapsed Ford went from the brink of bankruptcy to being the most profitable automaker in the world *American Icon* is the compelling

behind the scenes account of that epic turnaround In one of the great management narratives of our time Hoffman puts the reader inside the boardroom as Mulally uses his celebrated Business Plan Review meetings to drive change and force Ford to deal with the painful realities of the American auto industry Hoffman was granted unprecedented access to Ford's top executives and top secret company documents He spent countless hours with Alan Mulally Bill Ford the Ford family former executives labor leaders and company directors In the bestselling tradition of *Too Big to Fail* and *The Big Short* American Icon is narrative nonfiction at its vivid and colorful best

Helming, 2016-03-05

Sociology David M. Newman, 2018-07-26 This new Brief Sixth Edition of David Newman's text is the streamlined version of *Sociology Exploring the Architecture of Everyday Life* with the same goal to be a textbook that in the author's words reads like a real book Newman shows to see the unfamiliar in the familiar to step back and see organization and predictability in their take for granted personal experiences Newman uses the metaphors of architecture and construction to help students understand that society is not something that exists out there independently of themselves it is a human creation that is planned maintained or altered by individuals Instead of surveying every subfield in sociology this text focuses on the structural features of society the social construction of self and identity and social inequality in the context of social institutions The new edition includes examples and analysis of contemporary events and trends including The changes in our national politics brought about by the 2016 presidential election Increasing societal attention paid to fatal encounters between police and unarmed people of color or incidents of sexual harassment and assault School shootings and the debates over gun ownership The continued dramatic growth of communication technology particularly social networking sites

Sociology David M. Newman, 2025-06-24 The Fifteenth Edition of *Sociology* uses vivid prose current examples and fresh data to present a unique and thought provoking overview of how society is constructed and experienced With his approachable writing style and lively anecdotes author David M Newman's goal from the first edition has been the same to write a textbook that reads like a real book
