Encyclopedia of Hair Victoria Sherrow,2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information How we style our hair has the ability to shape the way others perceive us For example in 2017 the singer Macklemore denounced his hipster undercut hairstyle a style that is associated with Hitler Youth and alt right men and in 2015 actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype This volume examines how hair or lack thereof can be an important symbol of gender class and culture around the world and through history Hairstyles have come to represent cultural heritage and memory and even political leanings social beliefs and identity This second edition

builds upon the original volume updating all entries that have evolved over the last decade such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss New entries have been added that look at specific world regions hair coverings political symbolism behind certain styles and other topics **Costume, Makeup, and Hair** Adrienne L. McLean, 2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed Behind the Silver Screen series Costume Makeup and Hair charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book's contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup and hairstyling as distinct art forms *All for Beauty* Adrienne L. McLean, 2022-07-15 Ever wonder why so many stars and featured players male or female in movies of Hollywood's Golden Age look like they just stepped out of a beauty parlor even if the story places them in a jungle a hospital bed or the ancient past All for Beauty examines how and why makeup and hairdressing evolved as crafts designed partly to maintain the white flawlessness of men and women as a value in the studio era The book pays particular attention to the labor force exploring the power and influence of cosmetics inventor and manufacturer Max Factor and the Westmore dynasty of makeup artists but also the contributions of others many of them women whose names are far less known At the end of the complex exciting and at times dismaying chronicle it is likely that readers will never again watch Hollywood films without thinking about the roles of makeup and hairdressing in creating both fictional characters and stars as emblems of an idealized and undeniably mesmerizing visual perfection **Lucy a to Z** Michael Karol, 2004-01-04 Praise for the updated 2012 Kindle edition of Lucy A to Z The Lucille Ball Encyclopedia Very important Fresh insights The most detailed and most enjoyable book available on Lucille Ball A must have Laura Wagner Classic Images As we are producing the I Love Lucy 50th Anniversary Special Lucy A to Z has been a godsend Lucie Arnaz 2001 letter to author Lucy A to Z is a compound of insight fact and trivia Stefan Kanfer author Ball of Fire This new Fourth Edition of Lucy A to Z is a wonderful read and I'm very pleased to recommend it to everyone Wanda Clark Lucille Ball's personal secretary If you need any splainin about Lucy life and career you'll find it here Craig Hamrick author The TV Tidbits Classic Television Trivia Quiz Book
