Louisa Clark is an ordinary girl living an exceedingly ordinary life: steady boyfriend, close family who has never been farther afield than their tiny village. She takes a badly needed job working for ex-Master of the Universe Will Traynor, who is wheelchair-bound after an accident. Will has always lived a huge life: big deals, extreme sports, worldwide travel, and now he's pretty sure he cannot live the way he is. Will is acerbic, moody, bossy, but Lou refuses to treat him with kid gloves, and soon his happiness means more to her than she expected. When she learns that Will has shocking plans of his own, she sets out to show him that life is still worth living. A Love Story for this generation. *Me Before You* brings to life two people who couldn't have less in common: a heartbreakingly romantic novel that asks, "What do you do when making the person you love happy also means breaking your own heart?"

WARNING: This is not the actual book *Me Before You* by Jojo Moyes. Do not buy this Review if you are looking for a full copy of this great book. This review of British author Jojo Moyes' *Me Before You* gives you some fun facts about Moyes and her works, including the fact that the inspiration for this novel was a quadriplegic rugby player who committed suicide at the same Dignitas clinic mentioned in the novel. *Me Before You* is the story of a woman who discovers herself and love while caring for Will Traynor, a bitter quadriplegic. It also delves deeper into the psyche of Louisa, a young woman who already has a boyfriend, albeit a dull one. She is forced to leave her café job, leading her to a job caring for

Will and a love she never saw coming *Me Before You* is a compelling tale that analyzes the right to die debate in a way you never considered Louisa's job description is as caregiver but it's clear that Will's mother just wants her there to watch over him Will was once a powerful successful and handsome hunk of a man yet now he feels like a shell of his former self ready to give up Lou still sees that hunk and she is ready to do everything she can to give him the courage to go on and make the most of life Lou's charm works as she even manages to cheer him up on occasion Everything changes when she overhears his intention to commit suicide in six months The author's choice of ending for *Me Before You* is controversial and this review offers an alternative outcome that might have kept a few more tissues in the box
