Coincidences in the writings both of the Old and New Testament ... Third edition John James BLUNT,1850 **UNDESIGNED COINCIDENCES** John James Blunt,2023-12-08 In Christian apologetics the argument from undesigned coincidences aims to support the historical reliability of the Bible So named by J J Blunt based on previous work by William Paley an undesigned coincidence is said to have occurred when an account of one event in the Bible omits a piece or pieces of information which is filled in seemingly coincidentally by a different recording which helps to answer inquiries raised by the first According to this approach undesigned coincidences often occur when one account forgoes a reason for an action which is given by a different account which often does not mention that action In this case so the argument goes there was a complex unified story both authors are writing down despite gathering data from different witnesses *Mystical Moments and Unitive Thinking* Dan Merkur,1999-02-11 Merkur proposes an alternative to the traditional psychoanalytic explanation of mystical experiences as regression to the solipsism of earliest infancy He does this by viewing unitive thinking as a line of cognitive development and mystical moments as creative inspirations on unitive topics Utilizing classical self reports by Christian Jewish and Muslim mystics Patanjali s Yoga Sutras and modern Western peak experiences Merkur argues that experiences of mystical union are manifestations of a broader category of psychological processes that manifest in scientific and moral thought as well as in mysticism Unconscious as well as conscious unitive thinking is sometimes realistic and sometimes fantastic in patterns that are consistent with cognitive development in general Mystical moments of unitive thinking may be considered moments of creative inspiration that happen to make use of unitive ideas Building on the psychoanalytic object relations theory that the self is always in relationship with an object Merkur argues that the solipsism of some varieties of mystical union always implies unconscious ideas of a love object who is transcendent Undesigned Coincidences in the Writings Both of the Old and New Testaments John James Blunt,1857 **Reading the Bible** Robert D. Lane,2004-04-28 This book argues that the best way to understand the stories of the Old and New Testaments is to consider them as human stories with sophisticated narrative techniques at play God is a character in these stories from the beginning and considering god as a character in a narrative proves fruitful in responding to the human voices of these stories Although many readers go to the Bible to find the revealed word of Yahweh or of the Christian God what they find there is always an interpretation of the text through the filters of a religious dogma which exists prior to the reading of the text Reading the Bible suggests another way of reading the texts a way of reading which concentrates not on what does it mean but on what does it say and what do I see there The result is a fresh approach to the reading of these biblical texts an approach which celebrates human storytelling while investigating myth language and the act of reading a text *The Many Faces of Evil (Revised and Expanded Edition)* John S. Feinberg,2004-05-06 In this examination of the questions posed by the problem of evil John Feinberg addresses the intellectual and theological framework of theodicy Beginning with a discussion of the logical problem of evil he interacts with leading thinkers who have previously written on these themes **Tom Malone** Joyce Vick,2003 Among a generation of

giants that brought fundamentalism to a position of prominence and influence in the twentieth century is The preacher from Pontiac Dr Tom Malone founder and longtime pastor of Emmanuel Baptist Church of Pontiac Michigan as well as founder and president of Midwestern Baptist College The reach of his ministry has been worldwide Although a prominent influential figure today Dr Malone truly had a humble beginning Reared in a broken home in the rural South in the Depression era he struggled through the hardships of the times to prepare for the life of service that God had planned for him Here is the story of Tom Malone his wife Joyce and the great ministries that have come about through their labors It will excite you and encourage you to see what God will do through His faithful servants Back cover *The Philosophy of Miracles* David Corner,2007-01-21 Philosophers who wish to argue for the rationality of belief in God frequently employ a god of the gaps strategy This strategy consists in trying to find a phenomenon that cannot be explained by natural science and insisting that it can be explained only by reference to the activity of God Philosophical discussion of miracles usually revolves around the attempt to link a miracle to God in just this way One of the problems with this approach is that it is very difficult to identify anything as being forever beyond the power of science to explain Science continues to advance upon the territory occupied by the god of the gaps Thus it is desirable to develop an account of divine agency that will not be subject to revision in the face of scientific progress This book is just such an account Drawing on recent work in the theory of action it shows that we can attribute God s agency to an event in nature without eliminating the possibility that it might be explained scientifically In bringing God s actions out of the gaps we avoid the possibility that future discoveries in science will make our talk of divine agency obsolete **J. J. Blunt's Undesigned Scriptural Coincidences** Eric Lounsbery,2005-06 [The absolute creation](#) Th. Om,2023-08-14 The new work The absolute creation of the wandering monk Thich Om describes in a wonderful easily understandable way with the unconditional tendency to open your eyes the consequence of the perfect absolute creation Before a glorious world whose source is love is spoken and we have the opportunity to discover it With a gentle pen Thich Om easily leads to an understanding that has nothing to do with society s conventional thought system **Spiritual Films** James Piper,2013-08-02 For decades centuries even when people thought of spirituality they thought only of religion I aim to stretch the tent of spirituality in this e book to include secular experience My particular approach to secular spirituality is through the medium of film Characters in the 43 films I discuss come to spirituality without religion In some of these films religion nibbles at the edges of events as when in the Brazilian film Central Station Dora the cynical letter writer leaves hard bitten Rio with a boy she hopes to return to his father and finds herself surrounded by evangelicals shrines and churches She does not have any kind of religious conversion but there is no denying that the piety of the countryside softened her and escorted her into spirituality Now and then I quote assorted Buddhists Muslims Christians and Jews but usually only when their remarks throw light on secular matters I have avoided relying on muddled mystics who write about the Great Turning Cosmic Oneness of Everything I dont know what they are talking about **Spiritual Films** Jim Piper,2012-10-25 For
