The Antagonist Lynn Coady, 2013-01-22 A piercing epistolary novel *The Antagonist* explores with wit and compassion how the impressions of others shape pervert and flummox both our perceptions of ourselves and our very nature Gordon Rankin Jr aka Rank thinks of himself as King Midas in reverse and indeed misfortune seems to follow him at every turn Against his will and his nature he has long been considered given his enormous size and strength a goon and enforcer by his classmates by his hockey coaches and not least by his tiny angry father He gamely lives up to their expectations until a vicious twist of fate forces him to flee underground Now pushing forty he discovers that an old trusted friend from his college days has published a novel that borrows freely from the traumatic events of Rank's own life Outraged by this betrayal and feeling cruelly misrepresented he bashes out his own version of his story in a barrage of e mails to the novelist that range from funny to furious to heartbreaking With *The Antagonist* Lynn Coady demonstrates all of the gifts that have made her one of Canada's most respected young writers Here she gives us an astonishing story of sons and fathers and mothers of the rewards and betrayals of male friendship and a large spirited hilarious and exhilarating portrait of a man tearing his life apart in order to put himself back together This ebook edition includes a Reading Group Guide
