**Talkable Bible Stories** Larry Richards,1994-05 Here's a Bible storybook that goes one step further in helping you nurture your child's spiritual walk Talkable Bible Stories is full of innovative and insightful ideas for helping your children apply the riches of God's Word to their lives *Building a Youth Ministry that Builds Disciples* Duffy Robbins,2012-01-24

While most youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group the reality is that the most important thing they are doing won't actually be evident until much later. That's because the biggest challenge for any youth ministry is helping teens embrace a wholehearted devotion to God that lasts far beyond their years in the youth room. Unfortunately, much of youth ministry seems to be designed on the model of setting teenagers up for a date with God: a delightful evening that involves music, laughter, food, and light conversation. But what scripture calls us to is not a one-night stand with God but a lifelong love of God that endures. Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers. In this concise book, ideal for busy youth workers, they'll be equipped to build a youth ministry that instills that lasting faith in its students. **This Way to Youth Ministry** Duffy Robbins, 2004. Practical applications, theological foundations, and valuable information for the student beginning a youth ministry. Careless and Loving It (Hit-And-Run Discipleship) Rodney A. Kvamme, 2002. Wait for the ideal is the hiss of the serpent, not the voice of God. Many a clear and present chance to bring love and joy to others has been missed by waiting for a more ideal opportunity. The author maintains that what is needed is more carelessness. The Table of Contents displays many playing fields where hit-and-run discipleship is an admirable option. A baseball player will not be an effective member of the team without leaving the security of the plate. There are similar risks for a disciple of Jesus. The author uses lessons from his own life and asks readers to translate them into their own experience. Hopefully, they too will be encouraged to become more careless and love it. **Directory of Faith Communities of York County**, 2002.

**American Grace** Robert D. Putnam, David E. Campbell, 2012-02-21. Based on two new studies, *American Grace* examines the impact of religion on American life and explores how that impact has changed in the last half century.
