T. Bryde, 2023-12-08 A Wolf in the Kitchen is the prequel to Jim s first book SLED DOG GUN AVIEMORE DREAMING In 1987 Jim and Cherry bought their very first Siberian Husky Hustler On showing him to people for the first time they were asked the inevitable question Is that a baby wolf A year later in the Summer of 1988 a small advert in a local paper changed their lives forever They discovered the sport of dog sledding Over the next 15 years more dogs were bought until they had eleven What follows is the story of these years and is both highly amusing and often downright funny After much perseverance and some frustration Jim transforms these dogs into one of the fastest teams in Great Britain With it came recognition that he never imagined and he and his team found fame on national radio and TV and played a part in a major movie film A lovely easy read that is suitable for all ages Film Quotations Robert A. become a classic Kidder was an ROTC intelligence officer just months out of college and expecting a stateside assignment when his orders arrived for Vietnam There lovesick anxious and melancholic he tried to assume command of his detachment a ragtag band of eight more or less ungovernable men charged with reporting on enemy radio locations He eventually learned not only to lead them but to laugh and drink with them as they shared the boredom pointlessness and fear of war Together they sought a ghostly enemy homing in on radio transmissions and funneling intelligence gathered by others Kidder realized that he would spend his time in Vietnam listening in on battle but never actually experiencing it With remarkable clarity and with great detachment Kidder looks back at himself from across three and a half decades confessing how as a young lieutenant he sought to borrow from the tragedy around him and to imagine himself a romantic hero Unrelentingly honest rueful and revealing *My Detachment* gives us war without heroism while preserving those rare moments of redeeming grace in the midst of lunacy and danger The officers and men of *My Detachment* are not the sort of people who appear in war movies they are the ones who appear only in war and they are unforgettable **Boychik Lit** Gerald Everett
