Of Rainfalls and Disasters Juan Manuel Rodríguez Esteves , Disasters associated with natural phenomena such as earth quakes floods droughts etcetera are intensifying damages that translate into deaths the loss of infrastructure and the interruption of economic activities The accelerated growth of cities frequently incorporates new areas that are susceptible to certain hazards leaving society increasingly exposed due to a mismanagement of land Since the 1990s the social sciences have developed the approach of vulnerability which considers the conditions of weakness of a society to cope with hazards We now know that risk is socially constructed and so disasters are not only a result of the intensity of the geophysical phenomena that unleash them but also of the contexts of vulnerability present when a phenomenon takes place The aim of this work is to show how the risk of flood disasters is constructed in Tijuana Baja California with four main elements as our starting point An examination of floods since the late 19th century the voice of the actors present for flooding events a theoretical model to understand the relationship between the hazard and the magnitude

of the risk and recommendations for disaster risk management at a local level *The Art and Architecture of the Texas Missions* Jacinto Quirarte, 2010-07-22 Winner Presidio La Bahia Award Sons of the Republic of Texas Built to bring Christianity and European civilization to the northern frontier of New Spain in the seventeenth and eighteenth centuries secularized and left to decay in the nineteenth century and restored in the twentieth century the Spanish missions still standing in Texas are really only shadows of their original selves The mission churches once beautifully adorned with carvings and sculptures on their fa ades and furnished inside with elaborate altarpieces and paintings today only hint at their colonial era glory through the vestiges of art and architectural decoration that remain To paint a more complete portrait of the missions as they once were Jacinto Quirarte here draws on decades of on site and archival research to offer the most comprehensive reconstruction and description of the original art and architecture of the six remaining Texas missions San Antonio de Valero the Alamo San Jos y San Miguel de Aguayo Nuestra Se ora de la Pur sima Concepci n San Juan Capistrano and San Francisco de la Espada in San Antonio and Nuestra Se ora del Esp ritu Santo in Goliad Using church records and other historical accounts as well as old photographs drawings and paintings Quirarte describes the mission churches and related buildings their decorated surfaces and the now missing altarpieces whose iconography he extensively analyzes He sets his material within the context of the mission era in Texas and the Southwest so that the book also serves as a general introduction to the Spanish missionary program and to Indian life in Texas **Catalog of Copyright Entries, Third Series**, 1961
