the 250 360 and 400cc single cylinder Motocross Enduro and Sportsman models from 1965 through the 1969 MG series  
However as both the 250cc and 400cc models remained in production through 1975 as the MH 1970 MI 1971 MJ 1972 and  
MK 1973 1975 series the original Clymer manual provided coverage beyond its publication date and effectively included  
those models from 1965 through 1975 While this 2025 edition includes all of the data from the original publication it has also  
been expanded to include the 1972 and later 125cc and 450cc MJ and MK series Models covered by engine size year of

you to exercise caution when purchasing technical publications for your classic motorcycle or automobile as many of the  
reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea  
what they are selling Many are nothing more than poor quality digital or comb bound photocopies that are scanned or  
printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even  
refurbished In addition they are often advertised for the incorrect series and or model years However VelocePress com has  
been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent  
reviews worldwide so you can be assured you are purchasing a quality product      Workshop Manual 365/371XP Husqvarna
