Ormonde Plater, 1995-01-25 Intercession is an essential element of both public and private prayer Using the Book of Common Prayer and the major elements of the Prayers of the People Plater explains the construction of everyday litanies collects and petitionary prayers as well as the composition of intercessions for church seasons holy days and special occasions Plater begins by looking at the roots of intercession in the Bible history and ancient belief and practice and goes on to offer practical advice for creating corporate intercessions in the local community Intercession is a useful aid for liturgical study and planning for priests pastors deacons lay ministers and worship committees Small prayer and intercessory groups will find it helpful for free form prayer that is creative and flexible yet grounded in prayerbook principles *A Labyrinth Prayer Handbook* Sally Welch, 2014-10-30 There is a rapidly growing group church leaders and lay people alike who are interested in the labyrinth as an aid to prayer and reflection and who appreciate this form of spirituality for its freedom and the unmediated space it offers Many people on the fringes of mainstream church have found labyrinths to be a way to focus their prayers and explore their own spirituality in a non judgemental and open setting Following on from her introductory volume *Walking the Labyrinth* Sally Welch now offers an imaginative resource for all who use the labyrinth in their worship and spiritual practice It includes ideas for using labyrinths in different settings such as with children those with learning difficulties the elderly in hospices as part of a retreat and with seasonal emphases at different times of the year It includes practical advice on how to create labyrinths in different settings and ideas for themed workshops and quiet days suggestions for musical accompaniment and other aids **We Bring You Everything, and Tip it Out in Front of You** Neil Paynter, 2017-07-10 Here in the Celtic tradition are prayers from members associates and friends of the Iona Community for the whole of life for starting an engine for keeping us engaged and on the road to God's Kingdom for taking a daily walk for refugees travelling dangerous seas an Iona Abbey kitchen prayer for chopping carrots making bread and sanitising surfaces and a Harvest supper prayer of sharing prayers for personal healing and for our deeply wounded world a prayer for self knowledge and another for doing the laundry and remembering lost socks Lord God we bring you everything and tip it out in front of you And now we pause a while in silence waiting for you to show us what we need to understand from a prayer by Roddy Cowie *Notes for one year's Sunday school lessons* James Maurice Wilson, 1903 **Grounded in Love** Nancy L. H. W. B., i.e. Sir Henry Williams Baker.] H. W. B.,1854 Christianization and Commonwealth in Early Medieval Europe
Nathan J. Ristuccia,2018-02-09 Christianization and Commonwealth in Early Medieval Europe re examines the alterations in Western European life that followed widespread conversion to Christianity the phenomena traditionally termed Christianization It refocuses scholarly paradigms for Christianization around the development of mandatory rituals One prominent ritual Rogationtide supplies an ideal case study demonstrating a new paradigm of Christianization without religion Christianization in the Middle Ages was not a slow process through which a Christian system of religious beliefs and practices replaced an earlier pagan system In the Middle Ages religion did not exist in the sense of a fixed system of belief bounded off from other spheres of life Rather Christianization was primarily ritual performance Being a Christian meant joining a local church community After the fall of Rome mandatory rituals such as Rogationtide arose to separate a Christian commonwealth from the pagans heretics and Jews outside it A Latin West between the polis and the parish had its own institution the Rogation procession for organizing local communities For medieval people sectarian borders were often flexible and rituals served to demarcate these borders Rogationtide is an ideal case study of this demarcation because it was an emotionally powerful feast which combined pageantry with doctrinal instruction community formation social ranking devotional exercises and bodily mortification As a result rival groups quarrelled over the holiday s meaning and procedure sometimes violently in order to reshape the local order and ban people and practices as non Christian **Morning Prayer in Urumqi** David Goodacre,2023-02-01 An invaluable resource for anyone who regularly prepares prayers for public worship guiding intercessors around the globe and helping them find the words to pray for the wider world
