AFROLEON Adeboye Oluwajuyitan, M.D.,2022-06-18 Before my version begins to fade Let me relieve what happened today Today was not a lifetime of discrimination and shame But of celebration as a black man living in Ukraine culled from the EPIGRAPH A brave and explorative Artisan Calm exterior but he was born a warrior A Leon not bothered about territory A Leon who hunted alone And a Leon who hurt alone With a free prefrontal cortex he came prepared for learning And learn he did as his memory campus would get soiled with complex realities In my first anatomy tour all I saw were dry cadavers But by the end of my tenure I saw my own fresh blood No tribal marks but you can tell he started out with an Afro And in this foreign soil explorations were his special dish To and fro he evolved and no he didn t hail from the safari From a genial ark but he always kept his wits about him And when he stepped out he was like a fresh aphrodisiac Through his eyes you could hear all of his favorite tunes Black vanilla at his core as he had a thing for interfacing General with a stylus brush Hankie forever in the back pocket Like his paws his heart appears four chambered But on closer inspection you see a fifth chamber a short distance away from the rest A blind Cub walking in the midst of hyenas With lesions so deep they suffocated him where it hurt most The pages are filled with art and expression As I relive this once in a lifetime experience Which shaped me into the man I am today
