Matt's Summer C. J. Hunnel, 2014-09-15 She s the new owner of the Davenport Ranch trying to learn everything she can He wants to talk to the man that is now the owner and keeps running into this exasperating woman Dawn finds herself owning the sprawling ranch she spent her summers at during her childhood With her son deployed and her mother recent death after years of battling cancer she is ready to move on with her life The elderly Jonathan Davenport asked her to take care of the property for him He remains living on the main house until he dies However he has asked Dawn for several promises she is determined to fulfill Keeping her promises to Jonathan should have been easy She finds however that his son Matt was going to make things difficult to keep them Jonathan s son Matt hears the name of the new owner and assumes the person is a man He does not like what he finds Hiring a private detective to look into the man s shady past sets off several events that put the lives of the people at the ranch in danger Matt s demand to speak to the man who owns the ranch causes a great deal of humor He is continually bumping into this woman who appears to be in charge but no one will tell him who she is Once he thinks he has an idea of her identity he only has it half right and is still not finding the man who owns the ranch Once the dust settles with all the frustration anxiety and misunderstandings discovered one question remains Can this man and the new owner of the ranch ever accept the attraction that simmers between them without hurting each other
