Latham-Koenig, Clive Oxenden, Kate Chomacki, Jerry Lambert, 2020-01-02 English File s unique lively and enjoyable lessons are renowned for getting students talking In fact 90% of English File teachers we surveyed in our impact study found that the course improves students speaking skills Digital Pedagogies and the Transformation of Language Education

Montebello, Matthew, 2021-05-14 Education has undergone numerous radical changes as the digital era has transformed the way we as humans communicate inform ourselves purchase goods and perform other mundane chores at home and at work Social media is one of those phenomena that has affected not only society at large but has heavily influenced educational processes around the world The demand for and availability of networked educational services have also increased enabling online education to gain popularity and become an internationally accessible option Furthermore universities and other private higher educational institutions embrace digital technology and have adopted the new learning medium as they realize the prospects of having the world s population as a potential source of revenue A related phenomenon has been the proliferation of massive open online courses MOOCs These have changed the ways in which learners interact with

educational institutions professors and with each other At the same time the upsurge in digital education has raised issues with language as online learners from all over the world and from a plethora of cultures and foreign languages have found themselves challenged to take full advantage and optimally benefit from the same educational media and resources that English speaking counterparts have tapped into Digital Pedagogies and the Transformation of Language Education will answer questions of how to optimize language learning in such a defining new era and what the educational sociological and technological dimensions of radical change are The book will explore the different challenges and the multitude of opportunities that new and transformative pedagogies have enabled Beyond teaching learning practices being presented this book also focuses on how learners will adjust to the technology and the readiness of practitioners to psychologically adjust to the changing and demanding media technology has unleashed The chapters provide international experiences and perspectives on the impact of e educational technologies on student experience success learning and comprehension in the realm of language learning specifically This book is essential for educational technologists online instructional designers education policymakers and administrators curriculum developers practitioners stakeholders researchers academicians and students who are interested in digital language pedagogies *Oxford EAP Upper-intermediate/ B2 Student Book* Edward de Chazal, John Hughes, 2015-08-13 Oxford English for Academic Purposes offers a specialist course covering listening speaking and reading in key areas of academic life such as lectures presentations and textbooks The course is consistent with levels A2 to C1 of the Common European Frame of Reference for the teaching of foreign languages Great downloadable resources to support you when using Oxford English for Academic Purposes can be found at <https://elt.oup.com/student/oxfordeap>
