Mining Explained James Bernard Whyte, John Cumming, 2007-01-01 *Mining Explained : a Layman's Guide* The Northern Miner, 1998 **Basics of Metal Mining Influenced Water** Virginia T. McLemore, 2008 Basics of Metal Mining Influenced Water is a must read for planners regulators consultants land managers students researchers or others concerned about the environmentally sound management of metal mine wastes and drainage quality The first of a series of six handbooks on technologies for managing metal mine and metallurgical process draining this book offers a unique comprehensive perspective on the subject Unlike other texts that focus primarily on acid drainage from coal mines the authors examine both acidic and neutral pH waters that can be hazardous to the environment Planning a new mine in today's increasingly contentious regulatory and political environment demands a different philosophy Basics of Metal Mining Influenced Water takes an innovative holistic approach by considering all aspects of the mine life cycle including closure Written by a team of experts from state and federal governments academia and the mining industry Basics of Metal Mining Influenced Water also discusses the major physical and chemical relationships between mining climate environment and mine waste drainage quality The authors have included an extensive glossary defining hundreds of technical terms for easier reading and understanding *Mining Explained* James Bernard Whyte, John Cumming, 2004 **Foreign Mining Investment Law** Richard W. Roeder, 2016-06-28 This work analyzes and compares the legal framework for foreign investments in the mining sector in Australia South Africa and Colombia The admission of foreign investments corporate structure requirements ownership of minerals and mineral rights mining licenses land access performance requirements distribution of profits and the tax regime repatriation of profits national and international dispute resolution mechanisms and the question of the Social License to Operate SLO Corporate Social Responsibility CSR policies are discussed in detail The work concludes with an outlook on the future regulation of foreign mining investments and finally suggests the development of an International Mining Investment Law *Mining Source Book* , 2003 *The Underground Wealth of Nations* Jeannette Graulau, 2019-10-08 Silver mining was a capitalist business long before the supposed origin of modern capitalism Hundreds of years before a sixteenth century crisis in European agriculture led to the origins of capital investment and finance the silver mining industry exhibited many of the features of modern capitalism Silver mines were large scale businesses that demanded large investments and steady cash flow achieved by spreading that risk through fungible shares and creating legal structures to protect entrepreneurs from financial disaster Jeannette Graulau argues that mining preceded agriculture as the first true capitalist enterprise of the modern world **A Layman's Guide to Revelation** J. J. Ramsay, 2019-12-09 The Layman's Guide to Revelation is a compilation of renowned expositors with different interpretive views of eschatology The book guides its readers into an in depth study of the Revelation using the critical analysis of commentators of the past to help the reader better understand the present times and God's plan for the future The guide defines key words in the Greek

translation and explains the symbolic use of numbers colors and the foreshadowing of crucial aspects of Israel s history which will aid in deciphering the visions given to the apostle The guide further explains the types and use of the Old Testament prophets By understanding the Old Testament Scriptures the student will better appreciate the background of the language and the Hebraic symbolism used in Revelation The guide also sheds light on the use of foreshadowing of past empires used in the Old Testament that will further aid in the interpretation of the future and the end times that we are assuredly apart The guide takes the reader verse by verse chapter by chapter through the commentators interpretive views so they can study at their own pace and arrive at their own conclusions The book also includes a commentary by the author that offers his own insights into Revelation that will surely be of use to those who look to God s word to better understand the times we live
