Government Secrecy Susan Maret, 2011-01-26 Divided into six sections this title examines Government secrecy GS in a variety of contexts including comparative examination of government control of information new definitions categories censorship ethics and secrecy s relationship with freedom of information and transparency Terrorism in America Robin Maria Valeri, Kevin Borgeson, 2018-05-11 Offering a fresh perspective on the changing face of terror attacks Terrorism in America focuses on domestic groups examining the beliefs actions and impacts of American based terrorists and terror organizations Editors Robin Valeri and Kevin Borgeson and their contributors draw on theories from criminology psychology and sociology to explore the ideologies of right wing left wing and extremist religious groups how and why they convert followers recruit financially and take extreme action against others No competing text offers such in depth and nuanced coverage of the radical ideologies behind these attacks or the ensuing fear domestic terrorism creates as well as the strategies to combat violent extremism A core text for domestic terrorism courses and an excellent supplement for any counterterrorism or homeland security course Terrorism in America brings its singular focus to the growth and evolution of terrorism in the United States Interviews case studies from the field and chapter themes make this a highly readable text for criminal justice psychology sociology and homeland security students professors or practitioners *Right-Wing Resurgence* Daryl Johnson, 2012-09-14 In 2008 there were 149 militia groups in the United States In 2009 that number more than tripled to 512 and now there are nearly 600 In *Right Wing Resurgence* author Daryl Johnson offers a detailed account of the growth of right wing extremism and militias in the United States and the ever increasing threat they pose The author is an acknowledged expert in this area and has been an intelligence analyst working for several federal agencies for nearly 20 years The book is also a first hand insider s account of the DHS Right Wing Extremism report from the person who wrote it It is a truthful depiction of the facts circumstances and events leading up to the leak of this official intelligence assessment The leak and its aftermath have had an adverse effect on homeland security Because of its alleged mishandling of the situation the Department s reputation has declined in the intelligence and law enforcement communities and the analytical integrity of the Office of Intelligence and Analysis was undermined Most importantly the nation s security has been compromised during a critical time when a significant domestic terrorist threat is growing This book is replete with case studies and interviews with leaders which reveal their agendas how they recruit and how they operate around the country It presents a comprehensive account of an ever growing security concern at a time when this threat is only beginning to be realized and is still largely ignored in many circles Issues in Terrorism and Homeland Security CQ Researcher, 2010-09-21 With six new articles covering topics such as terrorism and the internet prosecuting terrorists and homeland security this reader friendly textbook will inspire students whilst helping them to understand the key material in this field *House Reports* ,

Vigilantes and Unauthorized Militia in America Charles Doyle, 2002 A vigilante group is an armed private group that

has taken the law into its own hands or that has the announced potential of doing so There are quite a number of such organisations in the contemporary United States and many have members who are said to be anti government racist or both There is a strong history of vigilante activity in the United States that is unique in modern world history In order to avoid civil disturbances Congress and a number of state legislatures have passed laws governing the organisation instruction and activities of private groups assembled to drill with practice with or demonstrate the used of firearms or explosives This is a brief overview of those laws

The Terrorist Next Door Daniel Levitas, 2025-04-16 September 11 2001 focused America s attention on the terrorist threat from abroad but as the World Trade Center towers collapsed domestic right wing hate groups were celebrating in the United States Hallelu Yahweh May the WAR be started DEATH to His enemies may the World Trade Center BURN TO THE GROUND announced August Kreis of the paramilitary group the Posse Comitatus We can blame no others than ourselves for our problems due to the fact that we allow Satan s children called jews sic today to have dominion over our lives *The Terrorist Next Door* reveals the men behind far right groups like the Posse Comitatus Latin for power of the county and the ideas that inspired their attempts to bring about a racist revolution in the United States Timothy McVeigh was executed for killing 168 people when he bombed the Alfred P Murrah Federal Building in 1995 but *The Terrorist Next Door* goes well beyond the destruction in Oklahoma City and takes readers deeper and more broadly inside the Posse and other groups that comprise the paramilitary right From the emergence of white supremacist groups following the Civil War through the segregationist violence of the civil rights era the right wing tax protest movement of the 1970s the farm crisis of the 1980s and the militia movement of the 1990s the book details the roots of the radical right It also tells the story of men like William Potter Gale a retired Army officer and the founder of the Posse Comitatus whose hate filled sermons and calls to armed insurrection have fueled generations of tax protesters militiamen and other anti government zealots since the 1960s Written by Daniel Levitas a national expert on the origins and activities of white supremacist and neo Nazi groups *The Terrorist Next Door* is painstakingly researched and includes rich detail from official documents including the FBI private archives and confidential sources never before disclosed In detailing these and other developments *The Terrorist Next Door* will prove to be the most definitive history of the roots of the American militia movement and the rural radical right ever written

New World War Mark M. Rich, A silent war is taking place in cities all over the planet It is covered up by the media mental health system NGOs and our elected officials Now that the financial elite are finished using the US military and allied forces to conquer nations in their quest for global domination they re neutralizing individuals and groups of resisters who live among the people To do this they have recruited a major portion of the civilian population which is used as a surrogate force to persecute those who have been identified as enemies As part of the same agenda the security forces are conducting psychological operations on civilians and torturing them with directed energy weapons The entire operation is in service to some very wealthy psychopaths who rule our society as part of a global revolution intended to result in a
