Warman's Coins & Paper Money Allen G. Berman, 2002 An illustrated reference guide for all types of currency found throughout history and around the world with up to date pricing *Multistate Sales Tax Guide* ,1992 *Encyclopedia of Ephemera* Michael Twyman, 2018-10-24 The joy of finding an old box in the attic filled with postcards invitations theater programs laundry lists and pay stubs is discovering the stories hidden within them The paper trails of our lives or ephemera may hold sentimental value reminding us of great grandparents They chronicle social history They can be valuable as collectibles or antiques But the greatest pleasure is that these ordinary documents can reconstruct with uncanny immediacy the drama of day to day life The Encyclopedia of Ephemera is the first work of its kind providing an unparalleled sourcebook with over 400 entries that cover all aspects of everyday documents and artifacts from bookmarks to birth certificates to lighthouse dues papers Continuing a tradition that started in the Victorian era when disposable paper items such as trade cards die cuts and greeting cards were accumulated to paste into scrap books expert Maurice Rickards has compiled an enormous range of paper collectibles from the obscure to the commonplace His artifacts come from around the world and include such throw away items as cigarette packs and crate labels as well as the ubiquitous faxes parking tickets and phone cards of daily life As this major new reference shows simple slips of paper can speak volumes about status taste customs and taboos revealing the very roots of popular culture **Numismatic Archaeology of North America** Marjorie H. Akin, James C. Bard, Kevin Akin, 2016-05-05 Numismatic Archaeology of North America is the first book to provide an archaeological overview of the coins and tokens found in a wide range of North American archaeological sites It begins with a comprehensive and well illustrated review of the various coins and tokens that circulated in North America with descriptions of the uses for and human behavior associated with each type The book contains practical sections on standardized nomenclature photographing cleaning and curating coins and discusses the impacts of looting and of working with collectors This is an important tool for archaeologists working with coins For numismatists and collectors it explains the importance of archaeological context for complete analysis **Trans Guide** California.
