Mistrals Kiss Urban Fantasy Merry Gentry:

Mistral's Kiss Laurell K Hamilton, 2010-05-05 The time has come for Meredith Gentry to put aside her detective work and fulfill her ultimate obligation to the world of Faerie where her efforts to conceive an heir to the throne of the Unseelie Court are crucial to restoring magic and life itself to the Fey kingdom And though her quest to produce an heir may be full of sensual pleasures it is also fraught with peril the shadows of intrigue stalk the royal court and sabotage lurks at any turn Merry s cousin schemes and plots determined to see her fall But in the once dead gardens of the world of faerie something has re awakened an all powerful malign magic And Merry s own powers have turned wildly dangerously unpredictable As plots and counterplots are hatched and strategies and subterfuges played out the destiny of an entire world turns upon the fortunes of Merry Gentry object of obsession target of treachery and pawn of uncertain fate **A Stroke of Midnight**

Laurell K. Hamilton, 2006-11-28 I am Meredith Gentry P I solving cases in Los Angeles far from the peril and deception of my real home because I am also Princess Meredith heir to the darkest throne faerie has to offer The Unseelie Court infuses me with its power But at what price does such magic come How much of my human side will I have to give up and how much of the sinister side of faerie will I have to embrace To sit on a throne that has ruled through bloodshed and violence for centuries I might have to become that which I dread the most Enemies watch my every move My cousin Cel strives to have me killed even now from his prison cell But not all the assassination attempts are his Some Unseelie nobles have waited centuries for my aunt Andais Queen of Air and Darkness to become weak enough that she might be toppled from her throne Enemies unforeseen move against us enemies who would murder the least among us The threat will drive us to allow human police into faerie for the first time in our history I need my allies now more than ever especially since fate will lead me into the arm of Mistral Master of Storms the queen s new captain of her guard Our passion will reawaken powers long forgotten among the warriors of the sidhe Pain and pleasure await me and danger as well for some at that court seek only death I will find new joys with the butterfly winged demi fey My guards and I will show all of faerie that violence and sex are as popular among the sidhe as they are among the lesser fey of our court The Darkness will weep and Frost will comfort him The gentlest of my guards will find new strength and break my heart Passions undreamed of await us and my enemies gather for the future of both courts of faerie begins to unravel **Swallowing Darkness**

Laurell K Hamilton, 2008-12-02 Merry Gentry is not your average private investigator Half human half faerie she s caught in a struggle that threatens not only her life but the lives of those she desires and holds dear Her very existence and her rightful place on the throne of Faerie have long depended on her producing an heir and now after many failed attempts she is pregnant A triumphant moment but revelation follows revelation for Merry carries twins and they have more than one father There are those of her own flesh and blood who want Merry and her unborn children dead but she is a fighter and wields a wild magic And this is her world This is where the magical and the mortal intertwine where folklore fantasy and erotically charged adventure collide **Mistral's**

Kiss Laurell K. Hamilton, 2006 I am Princess Meredith heir to a throne of faerie My day job once upon a time was as a private detective in Los Angeles Unfortunately princess has now become a full time occupation My aunt Queen Andais will have it no other way And so I am virtually a prisoner in faerie trapped here with some of the realm s most beautiful men to serve as my bodyguards and my lovers For I am compelled to conceive a child an heir to succeed me on the throne Yet after months of amazing sex with my consorts there is still no baby And no baby means no throne The only certainty is death at the hands of my cousin Cel or his followers if I fail to conceive Now Mistral Queen Andais s new captain of the guard has come to my bed defying her and risking her terrible wrath in doing so But even she will hesitate to punish him in jealous rage because our joining has reawakened old magic mystical power so ancient that no one stands against it and survives Not even my strongest and most favored my Darkness and my Killing Frost Not even Mistral himself my Storm Lord But because Mistral has helped to bring this magic forth he may live another day If I can reclaim control of the fey power that once was there may be hope for me and my reign in faerie I might yet quell the dark schemes and subterfuges surrounding me Though shadows of obsession and conspiracy gather I may survive
