Mistress On Loan:

MISTRESS ON LOAN Sara Craven, Sumiko Sonehara, Adrien's dream was to restore Grange Manor to its former glory. But after the owner suddenly leaves without paying the contractors she's put in quite the bind. While trying to find a means to pay the restoration fees she comes face to face with her old crush Chay who Adrien came to know at Grange Manor. Due to a past incident she doesn't want anything to do with Chay. Unfortunately he's bought the property from the previous owner meaning Adrien has no choice. Even though Adrien feels as if she's being tormented she can't help but see how hard Chay is trying to fully restore Grange Manor. Is Chay really the heartless man she's always imagined him to be or has she been mistaken all these years? *Mistress on Loan* Sara Craven, 2000 *The Loan of a Lover, Etc.* James Robinson Planché, 1872

The Private Life of William Shakespeare Lena Cowen Orlin, 2021-08-26 A new biography of William Shakespeare that explores his private life in Stratford upon Avon, his personal aspirations, his self-determination, and his relations with the members of his family and his neighbours. *The Private Life of William Shakespeare* tells the story of Shakespeare in Stratford as a family man. The book offers close readings of key documents associated with Shakespeare and develops a contextual understanding of the genres from which these documents emerge. It reconsiders clusters of evidence that have been held to prove some persistent biographical fables. It also shows how the histories of some of Shakespeare's neighbours illuminate aspects of his own life. Throughout we encounter a Shakespeare who consciously and with purpose designed his life. Having witnessed the business failures of his merchant father, he determined not to follow his father's model. His early wedding freed him from craft training to pursue a literary career. His wife's work and probably the assistance of his parents and brothers enabled him to make the first of the property purchases that grounded his life as a gentleman. With his will, he provided for both his daughters in ways that were suitable to their circumstances. Anne Shakespeare was already protected by dower rights in the houses and lands he had acquired. His funerary monument suggests that the man of small Latin and less Greek in fact had some experience of an Oxford education. Evidences are that he commissioned the monument himself.

Transformed into a Ts-Girl (M2f) by a Dice Natasha Osiris, 2021-04-06 This work is about male to female transition and voluntary slavery. About dominance and submission. It is partly a work of explicit erotica. FLR (Female Led Relationship) was the foundation in this feminization experiment. Humans are complex creatures who have different motives for displaying certain behaviors. Major drivers are love and fear, disapproval and approval. The dice experiment was conducted to see if the game could lead to a gender swap. We did not believe in that possibility. But it was possible. That is why this book has become a roadmap for those who want to walk that path voluntarily. This book is a source of information for Trans women and
