Essential Gnostic Scriptures Paperback:

Essential Gnostic Scriptures Marvin Meyer, Willis Barnstone, 2011-11-22 The people we've come to call gnostics were passionate advocates of the view that salvation comes through knowledge and personal experience and their passion shines through in the remarkable body of writings they produced over a period of more than a millennium and a half Willis Barnstone and Marvin Meyer have created a translation that brings the gnostic voices to us from across the centuries with remarkable power and beauty beginning with texts from the earliest years of Christianity including material from the Nag Hammadi library and continuing all the way up to expressions of gnostic wisdom found within Islam and in the Cathar movement of the Middle Ages The twenty one texts included here serve as a compact introduction to Gnosticism and its principal ideas and they also provide an entrance to the pleasures of gnostic literature in general representing as they do the greatest masterpieces of that tradition

The Essential Gnostic Gospels Alan Jacobs, 2006 The Gnostics were early Christians whose beliefs and practices put them at odds with the orthodox Church indeed the Church considered Gnostics to be heretics and made a concerted effort to destroy their writings However in 1945 a remarkable discovery was made in Nag Hammadi in the Egyptian desert a jar containing 13 papyrus documents dating back to the fourth century AD with genuine Gnostic texts in the original Greek In addition this manuscript included four gospels that offered accounts of Jesus and His times that are strikingly different from the New Testament Alan Jacobs brings his unrivalled scholarship to bear on these illuminating and eye opening works offering inspiring and poetic translations that capture the verses' uplifting spiritual message and beauty

[The Gnostic Bible](#) Willis Barnstone, Marvin W. Meyer, 2006 The most comprehensive collection of gnostic literature ever published this volume is the result of a unique collaboration between a renowned poet translator and a leading scholar of early Christian texts

[Celtic Christian Spirituality](#), 2011-06-01 The forgotten truths of Celtic Christianity provide a portal into a spiritual way of experiencing the world The Celtic Christians beheld the world around them and perceived the divine life of God as upholding every aspect of the material universe Their prayers and poems their liturgies and theological interpretations give Christians a sense of faith that is confident in a merciful and infinitely creative healing God In this introduction to Celtic Christian spirituality Mary Earle presents primary texts from the Celtic Christian tradition selections from the works of Pelagius Eriugena and St Patrick as well as prayers and poems from Wales the Outer Hebrides and Ireland These essential writings direct humanity to read the book of creation as well as the Bible and call us to remember that matter matters Earle's engaging facing page commentary explores how faithful Christians and spiritual seekers can take inspiration from this lively tradition's ways of embodying and living the gospel Topics include Creation Daily life and work Incarnation Pilgrimage Blessing Social justice Prayer

Hidden Wisdom Guy Stroumsa, 2005-06-01 This book investigates the problem of esoteric traditions in early Christianity their origin and their transformation in Patristic hermeneutics in the West as well as in the East It argues that these traditions eventually formed the basis of nascent

Christian mysticism in Late Antiquity These esoteric traditions do not reflect the influence of Greek Mystery religions as has often been claimed but rather seem to stem from the Jewish background of Christianity They were adopted by various Gnostic teachings a fact which helps explaining their eventual disappearance from Patristic literature The eleven chapters study each a different aspect of the problem including the questions of Gnostic and Manichaean esotericism This book will be of interest to all students of religious history in Late Antiquity Revised and extended paperback edition Originally published in 1996 Please click here for details **The Everything Gnostic Gospels Book** Meera Lester, 2007-02-12 The books of the Bible are not the only ancient writings to tell the stories of Jesus and his followers other Gnostic texts have also been found as well The Everything Gnostic Gospels Book provides an overview of Gnosticism and the historical figures who are believed to be the authors Thomas James Mary Magdalene and others This accessible guide explores the following questions What do Gnostics believe Who were the authors of the Gnostic Gospels How are the Bible scriptures and Gnostic Gospels different How are they the same How were official Christian texts chosen Learn about the different versions of Christianity that battled for supremacy in the first centuries after the death of Jesus This entertaining and educational book describes each of the Gnostic Gospels providing insight into the turbulent times of early Christianity as well as the renewed contemporary interest in these mysterious writings *Gnostic Writings on the Soul* , 2011-08-18 The inspiration and insight of these Gnostic writings can become a companion on your own spiritual journey Just what is a soul exactly Where did the idea come from How do we experience our souls Two ancient Gnostic texts The Exegesis on the Soul and The Hymn of the Pearl both presented here in all new translations hold important clues to the development of the soul as a concept and reveal inspiring ways your own soul can remember and return to its unique divine purpose The Exegesis on the Soul depicts the soul as a feminine figure who has fallen into the corrupted world and must find her way back to the Divine It is the story of the soul's struggle and redemption that will embolden your own spiritual pilgrimage The Hymn of the Pearl is an allegorical story about a prince sent to retrieve a precious pearl but who soon forgets his purpose and falls asleep It is a moving tale of the importance of remembering your soul's identity and calling and knowing that only you can fulfill your destiny Accessible facing page commentary explains the Gnostic writings for you even if you have no previous knowledge of Gnosticism or early Christianity Additional material draws on ancient religions Platonism Christianity Judaism Islam and modern philosophical and psychological notions of the soul to place the Gnostic teachings in a clear historical context By following the development of this concept through time you will more clearly perceive and respond to the divine spark found in your own soul

Proverbs , 2011-08-18 Wise and practical prescriptions for how to live with an honest perception of reality can become a companion for your own spiritual journey More than commonplace truisms the biblical Book of Proverbs is an anthology of teachings designed to help you live with a sense of self responsibility Its wisdom compiled in the seventh century BCE and credited to King Solomon transcends nationality and politics addressing instead the individual seeking the true satisfaction

and tranquility that comes from living with an honest perception of reality In this fresh translation of an ancient how to Rami Shapiro unpacks the proverbs demonstrating how these complex poetic forms are actually straightforward instructions to live simply without rationalizations and excuses He shows how unlike almost anything else in the Hebrew Bible the truths claimed in the Book of Proverbs are testable and verifiable They force us to examine our lives and how we are living them without the benefit of psychological sophistry and New Age babble We are either doing good or doing bad we are either disciplined or lazy we are either students of wisdom or puppets of desire Now you can experience the Book of Proverbs and understand Solomon s teachings with no previous knowledge of the Hebrew Bible This SkyLight Illuminations edition presents insightful commentary that shares these timeless principles and encourages us to put them into practice in ways that are uniquely our own Library Journal ,1996 **Not in His Image (15th Anniversary Edition)** John Lamb Lash,2021-09-22 Lash is capable of explaining the mind bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight His arguments are often lively and entertaining Los Angeles Times Fully revised and with a new preface by the author this timely update is perfect for readers of The Immortality Key Since its initial release to wide acclaim in 2006 Not in His Image has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed With clarity author John Lamb Lash explains how a little known messianic sect propelled itself into a dominant world power systematically wiping out the great Gnostic spiritual teachers the Druid priests and the shamanistic healers of Europe and North Africa Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth tellers and keep their own secrets Not in His Image delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history exploring the richness of the ancient European Pagan spirituality the Pagan Mysteries the Great Goddess Gnosis the myths of Sophia and Gaia In the 15th Anniversary Edition Lash doubles down on his original argument against redemptive ideology and authoritarian deceit He shows how the Gnostics clearly foresaw the current program of salvation by syringe and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism making this well timed update more relevant than ever Sometimes a book changes the world Not in His Image is such a book It is clear stimulating well researched and sure to outrage the experts Get it Improve not just your own life but civilization s chances for survival Roger Payne author of Among Whales Abo **The Gnostic Gospels of Jesus** Marvin W. Meyer,2009-09-15 For all those readers curious to read the actual texts of the Gnostic Gospels here is the definitive collection of all the Gnostic Gospels and Gospel like texts o Marvin Meyer premier scholar of Gnostic and other Christian literature outside the New Testament presents every Gnostic Gospel and Jesus text with a brilliant overall introduction introductions to each text and notes that explain everything the reader needs to know to understand the text He includes his latest translations of not only the Gospel of Thomas the Gospel of Philip the Gospel of

Mary but other texts such as the Secret Book of John which some scholars regard as the second part of the New Testament Gospel of John The material is largely from the discovery at Nag Hammadi freshly translated and introduced but also includes texts found elsewhere The texts especially taken together present an image of Jesus as the ultimate wisdom teacher a kind of mysterious Jewish Zen master who scandalized listeners by his radical egalitarianism regarding women slaves the poor the marginalized as of equal status or more with establishment male believers and his insistence on living the message spiritual experience vs outer observance only o For those wanting to learn more after reading The Da Vinci Code This book provides the definitive next book for those looking for expert presentation of the alternative Gnostic stream of Christianity in which there is no talk of crucifixion and Mary Magdalene is presented as the disciple that Jesus loved best Marv is one of the original secret gospels scholars who has done an enormous amount of work to bring these texts to light All of his research on the Nag Hammadi texts is having an incredible impact on our knowledge of early Christian history it is virtually redefining it Dr Elaine Pagels Princeton University *The Quest* ,2003 **The Gnostic Discoveries** Marvin W. Meyer,2009-07-21 The Meaning of the Nag Hammadi now in paperback opens the with the thrilling adventure story of the discovery of the ancient Papyrii at Nag Hammadi Muhammad Ali the fellahin discovered the sealed jar he feared that it might contain a jinni or spirit but also had heard of hidden treasures in such jars Greed overcame his fears and when he smashed open the jar gold seemed to float into the air To his disappointment it was papyrus fragmenst not gold but for scholars around the world it was invaluable Meyer then discusses the pre Christian forms of wisdom that went onto influence what Christians believe today In addition some Nag Hammadi texts are attributed to Valentinus a man who almost became Pope and whose rejection changed the church in significant ways Text by text Meyer traces the history and impact of this great find on the Church right up to our current beliefs and popular cultural fascination with this officially suppressed secret knowledge about Jesus and his followers *Public Library Catalog* Juliette Yaakov,1994 Cited in Sheehy and Walford A core working tool for acquisitions librarians reference librarians and catalogers in public and undergraduate libraries the Catalog is a list of recommended reference and nonfiction books for adults published quinquennially with annual supplements for the intervening years The titles are classified by subject and include complete bibliographical data as well as descriptive and critical annotations This edition consists of 7 735 titles and 3 999 analytical entries Some 4 000 additional titles will appear in the four supplements In addition to the main classified catalog there is a comprehensive author title subject and analytical index and a directory of publishers and distributors Annotation copyright by Book News Inc Portland OR **The Secret Teachings of Jesus** ,1986-05-12 In December 1945 two Egyptian fellahin digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar The jar proved to hold treasure of an unexpected sort a collection of some fifty two ancient manuscripts most of which reflect the teachings of a mystical religious movement we call Gnosticism from the Greek word gnosis knowledge The texts are also with few exceptions Christian documents and thus they provide us with valuable new information about the

character of the early church and about the Gnostic Christians within the church In this volume Marvin W Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts the Secret Book of James the Gospel of Thomas the Book of Thomas and the Secret Book of John **First Century Gnosticism** Gerard van Groningen,1967 [Public Library Catalog](#) ,1994 **The Gnostic Bible** Willis Barnstone,Marvin Meyer,2009-06-30 A collection of Gnostic texts spanning centuries geographical locations and cultural traditions a wonderful achievement Elaine Pagels author of The Gnostic Gospels Gnosticism was a wide ranging religious movement of the first millennium CE with earlier antecedents and later flourishings whose adherents sought salvation through knowledge and personal religious experience Gnostic writings offer striking perspectives on both early Christian and non Christian thought For example some gnostic texts suggest that god should be celebrated as both mother and father and that self knowledge is the supreme path to the divine Only in the past fifty years has it become clear how far the gnostic influence spread in ancient and medieval religions and what a marvelous body of scriptures it produced The selections gathered here in poetic readable translation represent Jewish Christian Hermetic Mandaean Manichaeian Islamic and Cathar expressions of gnostic spirituality Their regions of origin include Egypt the Greco Roman world the Middle East Syria Iraq China and France Also included are introductions notes an extensive glossary and a wealth of suggestions for further reading **The Gnostic Scriptures** Joseph Lumpkin,2006-01-01 To understand some of the basic beliefs of Gnosticism let us start with the common ground shared between Gnosticism and modern Christianity Both believe the world is imperfect corrupt and brutal The blame for this according to mainstream Christianity is placed squarely on the shoulders of man himself With the fall of man Adam the world was forever changed to the undesirable and harmful place in which we live today However Gnostics reject this view as an incorrect interpretation of the creation myth According to Gnostics the blame is not in ourselves but in our creator The creator of this world was himself somewhat less than perfect and in fact deeply flawed and cruel making mankind the children of a lesser God The parallel between Sophia and Mary Magdalene in Gnostic theology cannot be overstated Sophia was the handmaiden of the Supreme God carrying the life force which was the emanation of God She carried the truth within her which she offered to Adam The truth was offered up to set him free Mary was the consort of Jesus carrying the imparted knowledge and possibly his life force in the form of a child She revealed to the apostles the truth Jesus personally and intimately gave to her alone We will see this stated clearly in The Gospel of Mary Magdalene later in this book **The Gospel of Pseudo-Matthew and the Nativity of Mary** Brandon W. Hawk,2020-03-26 The Gospel of Pseudo Matthew is one of the most important witnesses in Western Europe to apocryphal stories about the lives of Mary Joseph Jesus and Mary s parents Anna and Joachim As a bestseller of mainstream medieval Christianity this Latin apocryphon is a keystone in the explosion of apocryphal literature in the Middle Ages Despite its apocryphal status the Gospel of Pseudo Matthew remained both popular and influential throughout the Middle Ages and into the early modern period as its popularity and influences

may be traced in Christian literature visual arts liturgy and theological perspectives still revered by Roman Catholic theologians The gospel is also a significant work for considering the history of monasticism and the cult of the Virgin Mary This book presents the first English translation of the Gospel of Pseudo Matthew with a full introduction and commentary as well as translations of related works with accompanying commentaries
