Essential Chess Sacrifices English Edition:

Essential Chess Sacrifices David LeMoir, 2003 Sacrifices are an essential part of chess Those who never consider sacrificing will miss countless opportunities and find that promising positions repeatedly slip away Players who do not appreciate their opponents sacrificial possibilities will be unable to see danger signs and find themselves on the wrong end of too many king hunts Rather than merely cataloguing the various possibilities and providing examples LeMoir discusses the possible follow ups to the sacrifices the defensive options against them and the positional factors that might suggest whether the sacrifice will be sound or unsound There are many important types of chess positions that can only be played well by those who understand the thematic sacrifices that are possible [The Magic Tactics of Mikhail Tal](#) Karsten Muller, Raymund Stulze, 2014-03-07 Mikhail Tal was one of the greatest geniuses of chess history The magician from Riga as he was known because of his dazzling attacking games took the chess world by storm and in 1961 at the age of twenty three he won the world championship His sacrificial style made Tal immensely popular with chess players all over the world In this book Grandmaster Karsten Muller and chess journalist Raymund Stulze have created an instructional chess tactics guide by investigating and explaining the secrets of his breathtaking combinations Moreover the authors have selected from the games Tal played one hundred exercises which will teach amateurs how they can finish a game with a stunning sacrifice

[Chess Opening Essentials](#) Dimitri Komarov, Stefan Djuric, 2016-11-20 Chess Opening Essentials is an accessible primer and a reference book at the same time It gives a flavour of how every opening works and explains the similarities with other openings as well as the differences In addition it also points at the various middlegame plans that apply after the opening has ended Grandmasters Dimitri Komarov and Stefan Djuric and International Master Claudio Pantaleoni do not propagate forcing tactical variations to be memorized mechanically but explain what you should actually be trying to achieve when playing the opening of your choice They include the main alternative responses and give clear indications for further study This thorough understandable and very readable manual gives you a foundation on which to build your repertoire Beginning and improving chess players should get this powerful book before they buy any other chess opening book Chess Opening Essentials Helps beginners to develop a solid understanding of fundamental opening ideas Gives casual players the ability to choose the opening that suits their style and taste A tool for club players to test and review their opening repertoire A reference book to which advanced players keep returning
