## **Ethiopian Budget Manual:**

**Digest of Ethiopia's National Policies, Strategies and Programs** Taye Assefa, 2008 Having just emerged from a prolonged civil war and faced with the urgent tasks of establishing political stability and reinvigorating an economy in tatters the Transitional Government of Ethiopia 1991-1995 had to set a new direction for the economic reconstruction and social rehabilitation of the war-torn and poverty-ridden country. During the Transitional Period a spate of new policies and strategies defining the development priorities, goals and implementation instruments of the new regime led by the EPRDF was introduced. This work is a synthesis of various sectoral policies and an attempt to trace the genesis of the policies, highlight the continuities, significant departures and other salient features. Each of the reviews in this digest briefly analyses the critical elements of the policies, identifies major gaps in the conceptualisation of the policy as well as the achievements registered and the challenges encountered in its implementation. The authors also try to identify the outstanding issues to be addressed by policymakers and suggest remedies. The policy reviews have been grouped into three parts and presented under social, economic and governance sectors.

**Budgeting and Budgetary Institutions** Anwar Shah, 2007 Budgeting and budgetary institutions play a critical role in resource allocation, government accountability and improved fiscal and social outcomes. This volume distills lessons from practices in designing better fiscal institutions, citizen-friendly budgets and open and transparent processes of budget preparation and execution. It also highlights newer concepts of performance budgeting, accrual accounting, activity-based costing and the use of information and communication technology in budgeting. These tools of analysis are supplemented by a review of budgeting in post-conflict countries and two country case studies on the reform of budgeting systems. *The budget & backpacker guide for Ethiopia*, 2025-09-24
