

The cover art for 'Fables: Homelands' depicts a dramatic scene. In the center, a large, menacing figure with a metallic, skull-like face and glowing orange eyes looms over the characters. This figure wears a crown and a dark, flowing cape. In the lower left, a woman with long, wavy blonde hair, wearing a light-colored, flowing dress, looks up towards the central figure. In the lower right, a character in a dark hooded cloak is shown from the chest up, holding a long, straight sword vertically. The background is a fiery, orange-yellow landscape with dark, twisted tree trunks and a large, ornate building with multiple spires in the distance. The overall color palette is dominated by oranges, yellows, and greys, creating a sense of danger and conflict.
