Trans-Colonial Urban Space in Palestine Maha Samman, 2013-06-26 Taking a multidisciplinary approach to examine the dynamics of ethno national contestation and colonialism in Israel Palestine this book investigates the approaches for dealing with the colonial and post colonial urban space resituating them within the various theoretical frameworks in colonial urban studies The book uses Henry Lefebvre's three constituents of space perceived conceived and lived to analyse past and present colonial cases interactively with time It mixes the non temporal conceptual framework of analysis of colonialism using literature of previous colonial cases with the inter temporal abstract Lefebvrian concepts of space to produce an inter temporal re reading of them Israeli colonialism in the occupied areas of 1967 its contractions from Sinai and Gaza and the implications on the West Bank are analysed in detail By illustrating the transformations in colonial urban space at different temporal stages a new phase is proposed the trans colonial This provides a conceptual means to avoid the pitfalls of neo colonial and post colonial influences experienced in previous cases and the book goes on to highlight the implications of such a phase on the Palestinians It is an important contribution to studies on Middle East Politics and Urban Geography

Edward Said on the Prospects of Peace in Palestine and Israel J. LeBlanc, 2013-11-12 John Randolph LeBlanc examines the political oeuvre of critic and activist Edward Said and finds that Said preferred reconciliation to segregation in Palestine Israel LeBlanc argues that Said's criticism speaks to the importance of negotiating the troubling proximate and unsettling presence of our most perplexing others

Triadic Coercion Wendy Pearlman, Boaz

Atzili, 2018-10-16 In the post Cold War era states increasingly find themselves in conflicts with nonstate actors Finding it difficult to fight these opponents directly many governments instead target states that harbor or aid nonstate actors using threats and punishment to coerce host states into stopping those groups Wendy Pearlman and Boaz Atzili investigate this strategy which they term triadic coercion They explain why states pursue triadic coercion evaluate the conditions under which it succeeds and demonstrate their arguments across seventy years of Israeli history This rich analysis of the Arab Israeli conflict supplemented with insights from India and Turkey yields surprising findings Traditional discussions of interstate conflict assume that the greater a state's power compared to its opponent the more successful its coercion Turning that logic on its head Pearlman and Atzili show that this strategy can be more effective against a strong host state than a weak one because host regimes need internal cohesion and institutional capacity to move against nonstate actors If triadic coercion is thus likely to fail against weak regimes why do states nevertheless employ it against them Pearlman and Atzili's investigation of Israeli decision making points to the role of strategic culture A state's system of beliefs values and institutionalized practices can encourage coercion as a necessary response even when that policy is prone to backfire A significant contribution to scholarship on deterrence asymmetric conflict and strategic culture Triadic Coercion illuminates an evolving feature of the international security landscape and interrogates assumptions that distort strategic thinking

The State of Palestine Philip Leech, 2016-10-26 Based on extensive field research interviews and participant observation undertaken across several sites in Nablus and the surrounding area it provides a bottom up interpretation of the Palestinian Authority's agenda and challenges the popular interpretation that its governance represents the only realistic path to Palestinian independence As the first major account of the Palestinian Authority's political agenda since the collapse of the unity government this book offers a unique explanation for the failure to bring a Palestinian state into being and challenges assumptions within the existing literature

Democratic Peace Across the Middle East Yakub Halabi, 2016-05-24 From Tunisia to Egypt and from Israel to Iran the debates surrounding the concept of democracy in the Middle East are never straightforward This has been particularly evident since the events of 2009 in Iran and the uprisings across the Arab

world in late 2010 and 2011 Against this backdrop Democratic Peace across the Middle East critically analyses the prospects for democracy throughout the region specifically asking whether political and social modernisation are absolute preconditions for democratic peace to take hold in the region or whether democracy without modernisation might be enough It explores the dynamics between neo patriarchy and Islam on the one hand and democratisation and modernisation on the other and also considers the prospect of the political accommodation of opposition groups Incorporating an analysis of a variety of key dynamics which affect each Middle Eastern country in turn such as tribal and sectarian identity Islamism and the structure of political party systems this book will appeal to those researching the Middle East and its patterns of rule

Rethinking Statehood in Palestine Leila H. Farsakh, 2021-10-26 The quest for an inclusive and independent state has been at the center of the Palestinian national struggle for a very long time This book critically reexamines this quest by exploring the meaning of Palestinian statehood and the challenges that face alternative models to it today Rethinking Statehood in Palestine gives prominence to a young set of diverse Palestinian scholars both men and women to show how notions of citizenship sovereignty and nationhood are being currently rethought within the broader context of decolonization Bringing forth critical and multifaceted engagements with what Palestinian self determination entails within a larger regional context this groundbreaking book sets the terms of debate for the future of Palestine beyond partition
