Reproductive Rights Update ,1989 **The Next Red Wave** Jordan Sekulow, 2019-09-24 Popular radio host and conservative legal and political commentator Jordan Sekulow offers an action plan that will bring real change to government and help secure the future of our nation The next red wave is coming November 3 2020 We face battles on many fronts The Deep State bureaucracy will stop at nothing to undermine the conservative agenda even when that s the agenda chosen by the American voter The liberal bureaucracy will continue to work alongside former liberal government officials from yes the Obama Administration and Team Clinton In this election the Left s prized goal exclusively will be defeating President Donald Trump by whatever means necessary A red wave that surpasses the turnout and figures of the historic 2016 election will be the only way to win Our opponents won t be caught off guard by President Trump again I promise you the DNC and liberal activists organizations began working on plans to defeat President Trump in 2020 before he was even inaugurated in 2017 In fact we have evidence of FBI officials attempting to undermine President Trump as he was preparing to take the Oath of Office So called progressives and the radical Left relentlessly force their liberal agenda on the American people Even when Republican majorities control both houses of Congress the deck can feel stacked against us The confirmation hearings for Justice Kavanaugh are a good reminder about the chaos liberals can cause even when they are in the minority Now Democrats control the House of Representatives while Republicans maintain control of the U S Senate We deserve better All Americans deserve better We deserve politicians who keep their promises The only way to force action and hold our elected officials accountable is to know the issues and engage the political process But it s more than just fulfilling our civic duty at the ballot box It s being actively engaged in public discourse in between elections Battles important battles are won far more often in the court of public opinion than in any federal courtroom These battles affect our lives every single day It s time to fight back and come together to generate the next red wave We can t wait another moment Now is the time to do it It really is up to us The clock is ticking **Put Y'all Back in Chains** Horace Cooper, 2023-07-04 Put Y all Back in Chains outlines how the policies of President Joe Biden harm Black communities and limit opportunities for their success Whether you agree or disagree Horace Cooper s latest book tackles the question of how Joe Biden s policies affect Americans especially those in minority and underserved communities His research shows that the injuries are calamitous Instead of a rising tide lifting all boats the Biden policies are having a reverse effect one that devastates bank accounts crushes entrepreneurship and steals

the promise of the American Dream Horace painstakingly combs through the harsh results of these efforts especially on lower income and working class people who are hit hardest by the woke policies of Joe Biden If you want to see the real story the media isn t telling this book is a must read Sean Hannity Fox News Host A thorough examination of the ways that the policies of President Joe Biden are antithetical to the aspirations and dreams of Blacks Put Y all Back in Chains uncovers the reasons that the policies of the Biden Administration hurt Black communities in particular And this is no accident Progressive policymakers relished Biden s COVID 19 pandemic restrictions his experiments with higher unemployment benefits and related regulatory programs and especially his push for the green agenda Consequently working class people especially Black men were hardest hit when it comes to finding employment as well as maintaining their financial lifestyle Tragically the Biden Agenda hurt the entire Black community affecting educational attainment wealth creation and homeownership These dramatic downward changes were particularly hard to absorb for Black households especially those that made tremendous gains during the Trump Administration It is increasingly clear that President Joe Biden s priorities place Blacks at the back of the political bus In this thoroughly researched book Horace Cooper outlines how the minority group most likely to support Biden Blacks are systematically impaired by this White House and why the Black community needs to turn away from the Biden Administration and toward a brighter future **Responsible Parenthood** Brenda Margaret Appleby,1999

Until 1969 contraception was illegal in Canada According to the Criminal Code it was an offence to advertise or sell anything designed to prevent conception or cause abortion In this book Brenda Appleby analyses the process of legislative reform that ended in the removal of such references from the Code **Reports of Cases Determined in the Courts of Appeal of the State of California** ,2004 *Exploring the Dimensions of Human Sexuality* Greenberg,Clint E.
