park's pristine beauty in danger. What will Margie and Ford sacrifice to preserve the splendor and simplicity of the wilderness they both love? Karen Barnett's vintage national parks novels bring to vivid life President Theodore Roosevelt's vision for protected lands when he wrote in *Outdoor Pastimes of an American Hunter*, "There can be nothing in the world more beautiful than the Yosemite, the groves of the giant sequoias and redwoods, the Canyon of the Colorado, the Canyon of the Yellowstone, the Three Tetons, and our people should see to it that they are preserved for their children and their children's children forever with their majestic beauty all unmarred."
