

Gauteng Nursing 2016

Dr Vincent Ribiere

Gauteng Nursing 2016:

Gender-Based Violence in Sub-Saharan Africa Alex Asakitikpi, Patrick Bashizi Bashige Murhula, 2024-10-15 Gender Based Violence in Sub Saharan Africa Prevalence Patterns and Policies examines the multifaceted issue of gender based violence GBV in Sub Saharan Africa offering an in depth exploration of its prevalence underlying patterns and the policies and frameworks that aim at addressing it The book provides a regional overview on the prevalence of GBV drawing on a wealth of statistical data and case studies and examines the diverse forms of gender based violence on the African sub region including domestic violence sexual harassment trafficking and harmful traditional practices highlighting the complex social cultural and economic factors that create and sustain these abuses In analyzing GBV patterns contributing authors investigate the dynamics of power and control that underpin gender based violence exploring how the intersection of identities such as class migration and sexuality influence individuals experiences The policy component evaluates international national and local responses to GBV and reviews existing legal frameworks protection mechanisms and support services identifying both best practices and significant gaps It also considers the effectiveness of public awareness campaigns education programs and community based interventions in shifting societal attitudes and reducing the incidence of GBV This book provides essential insights for policymakers researchers students and activists committed to combating GBV and supporting survivors

Mental Health: Intervention Skills for the Emergency Services Tricia Scott, 2023-03-28 This book addresses the practical management of mental health scenarios in the emergency setting and offers first hand reflections on how emergency nurses practitioners and allied mental health professionals handle these situations Responding to mental health needs in emergency situations can be profoundly complex Frequently emergency nurses and other personnel express their feelings of powerlessness as they do not know what to say or do in order to achieve the best outcome and have concerns that their intervention may make the situation worse for those in their care How a practitioner confronts the mental health encounter and takes the essential steps in managing the event can have a critical impact on how that person copes in the future This book helps readers understand what is involved in mental health work in emergency situations and the practical psychosocial and spiritual tensions that arise from managing the event and the sequelae Moreover it shows that it may be possible to provide a more effective emergency mental health service This unique edited book presents critical reflections on aspects of mental health work gathered from the hands on experiences of the personnel Mental health encounters in the emergency context are described in detail illustrating not only what emergency nurses and mental health workers do when mental health crises occur but also what they feel about what they do Written by a diverse team of emergency and mental health nurses and allied professionals currently engaged in emergency care both in hospital and pre hospital settings this book will appeal to emergency nurses and allied health professionals alike

Nursing
Nilgun Ulutasdemir, 2018-09-19 This book covers topics from nursing history and philosophy communication and ethics in

nursing nursing and culture Thus it can be used as a guide by student nurses and working nurses to recognize the nursing profession and to keep up with current developments In this book you will find all aspects of nursing profession

Childbirth, Vulnerability and Law Camilla Pickles, Jonathan Herring, 2019-08-23 This book is inspired by a statement released by the World Health Organization directed at preventing and eliminating disrespectful and abusive treatment during facility based childbirth Exploring the nature of vulnerability during childbirth and the factors which make childbirth a site for violence and control the book looks at the role of law in the regulation of professional intervention in childbirth The WHO statement and other published work on mistreatment obstetric violence birth trauma birth rape and dehumanised care all point to the presence of vulnerability violence and control in childbirth This collected edition explores these issues in the experience of those giving birth and for those providing obstetric services It further offers insights regarding legal avenues of redress in the context of this emerging area of concern Using violence vulnerability and control as a lens through which to consider multiple facets of the law the book brings together innovative research from an interdisciplinary selection of authors The book will appeal to scholars of law and legal academics specifically in relation to tort criminal law medical law and human rights It will also be of interest to postgraduate scholars of medical ethics and those concerned with gender studies more broadly

Compensation Schemes for Damages Caused by Healthcare and Alternatives to Court Proceedings Dobrochna Bach-Golecka, 2021-05-16 The book discusses compensation mechanisms and other non judicial means that offer alternatives to court proceedings designed and provided for within national legal regimes Such schemes are primarily of a civil or administrative character and are mainly intended to supplement criminal liability for medical negligence As such the book focuses on medical malpractice and prospective medical harm from a civil law perspective It examines the contemporary perspective of a patient physician relationship which has evolved from a relation of a quasi patrimonial character into a partnership of quasi equal parties dealing with a medical treatment procedure as a scientific endeavor It also reviews the extra legal conditions that are taken into account in compensation arrangements particularly the need to satisfy a psychological urge for conciliation and empathy on the part of medical personnel Lastly the book explores the responsibility of public authorities and healthcare providers to guarantee access to healthcare that is of a sufficient quality based upon standards provided for in international and European law

Theoretical Basis for Nursing Melanie McEwen, Evelyn M. Wills, 2017-12-28 Access the essential information you need to understand and apply theory in practice research education and administration management The most concise and contemporary nursing theory resource available Theoretical Basis for Nursing 5th Edition clarifies the application of theory and helps you become a more confident well rounded nurse This acclaimed text is extensively researched and easy to read giving you an engaging approachable guide to developing analyzing and evaluating theory in your nursing career

Africa 2016-2017 Francis Wiafe-Amoako, 2016-07-28 The World Today Series Africa provides students with vital information on all countries on the African continent through a thorough and

expert overview of political and economic histories current events and emerging trends Each country is examined through the following sections Basic Facts Land and People The Past Political and Economic History The Present Contemporary Issues and The Future In addition to country chapters the book features extended essays on Africa s Historical Background and the Colonial Period The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students The content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student and library budgets
