heart of Naples Elena Ferrante In Naples a new kind of gang rules the streets the Paranze the Children s Gangs groups of teenage boys who divide their time between Facebook or playing Call of Duty on their PlayStations and patrolling the streets armed with pistols and AK 47s terrorizing local residents in order to mark out the territories of their Mafia bosses From the author of ZeroZeroZero comes the eye opening The Piranhas which tells the story of the rise of one such gang and its leader Nicolas known to his friends and enemies as the Maharajah But Nicolas s ambitions reach far beyond doing other men s bidding he wants to be the one giving orders calling the shots and ruling the city But the violence he is accustomed to wielding and witnessing soon spirals out of his control , **Naples and the Nation** Ruth Glynn,2025-05-21 This book addresses Naples relationship with Italy since the introduction of direct mayoral election in 1993 and as articulated in cultural production It deploys theoretical frameworks pertaining to postcolonialism and cultural accentedness to challenge the historical framing of Naples as Italy s internal other and to reposition the city at the very heart of the Italian cultural imaginary The book showcases the breadth of texts and media addressing the city nation relationship analysing less renowned works of journalism literature fashion and film alongside celebrated texts such as Roberto Saviano s Gomorra Elena Ferrante s Neapolitan Novels and the soap opera Un posto al sole It highlights how such works contest perceptions of Naples as diverging from a national norm by emphasising the continuities that align the city with the nation Though developed with the specificities of Naples in mind the approach is intended as a model for the study of city nation relations in other cultural contexts *Beauty and the Inferno* Roberto Saviano,2017-01-17 Essays on art politics and life from the best selling author of Gomorrah Gomorrah Roberto Saviano s 2006 expos of Naples s Camorra mafia was an international bestseller and became an award winning film But the death threats that followed forced the author into hiding Saviano was ostracized by his countrymen and went on the run changing his location every few months and compelled to keep perpetual company with his bodyguards To this day he lives in an undisclosed location The loneliness of the fugitive life informs the essays in *Beauty and the Inferno* Among other subjects he writes about the legendary South African jazz singer Miriam Makeba his meeting with the real life Donnie Brasco sharing the Nobel Academy platform with Salman Rushdie and the murdered Russian journalist Anna Politkovskaya Present throughout the book is a sense of Saviano s peculiar isolation which infuses his words with anger exceptional insight and tragedy **Mediterranean Encounters in the City** Michela Ardizzoni,Valerio Ferme,2015-12-03 This book documents and analyzes how the contemporary Mediterranean city manages and negotiates its identity as a result of recent reconfigurations in its cultural religious and social landscape The events of Sept 11 2001 have recast difference as a central trope of identification in urban borderland settings unleashing heated debates about cultural convergences and animating anxieties about an arguable clash of civilizations in modern cities These emerging uncertainties have also grown stronger as the homogenizing forces of globalization unsettle essential principles of the nation state and nationhood and render fixed perceptions of distinctive and singular people and cultures more tenuous

Recent scholarship and public discourse have accordingly framed discussions of these encounters around concerns of geo political security and international policy Unfortunately framed within these terms our understanding of how various groups within the Mediterranean metropolis deal with the intensification of difference as a lived experience has remained regrettably thin This volume transcends this limitation and explores new interdisciplinary research paradigms that will help us gain a comprehensive perspective on how complex macro and micro tensions contradictions and similarities are negotiated in building urban identities in the Mediterranean basin The contributors to this volume explore the multi faceted nature of Mediterranean cities and engage a critical discussion of identity production and consumption in the Mediterranean basin By spanning two centuries and examining both the Northern and Southern shores of the Mediterranean the chapters in this book provide a broad and comprehensive investigation of the ways in which recent cultural productions have framed and re imagined the Mediterranean city as a locus of departures arrivals and contested belonging By focusing on cinema photography new media magazines music and literature as different stages for the performative representation of Mediterraneity the authors highlight the vibrancy of the intercultural discourses taking place along the shores of the mare nostrum and provide new perspectives from which to explore the relationship between North and South East and West

**Watching Sympathetic Perpetrators on Italian Television** Dana Renga, 2019-02-11 This book offers the first comprehensive study of recent popular Italian television Building on work in American television studies audience and reception theory and masculinity studies Sympathetic Perpetrators and their Audiences on Italian Television examines how and why viewers are positioned to engage emotionally with and root for Italian television antiheroes Italy's most popular exported series feature alluring and attractive criminal antiheroes offer fictionalized accounts of historical events or figures and highlight the routine violence of daily life in the mafia the police force and the political sphere Renga argues that Italian broadcasters have made an international name for themselves by presenting dark and violent subjects in formats that are visually pleasurable and for many across the globe highly addictive Taken as a whole this book investigates what recent Italian perpetrator television can teach us about television audiences and our viewing habits and preferences **New**

**Trends in Italian Cinema** Carmela Scala, 2014-09-26 Is the legacy of the Neorealist film making mode or should we say mood a withered one If not what is the ideal dialogue between contemporary Italian directors and this momentous page of their cultural history all about The aim of this book is to show that far from being exhausted the vivifying lymph of post Second World War Italian Neorealism continues to sustain the aesthetic praxis of many artists Predominantly the staying power of Neorealism becomes apparent in the stringent moral urgency behind the realization of films such as Gomorra Lamerica or Terra Madre All of them although cinematically very sophisticated retain the anxiety of engagement and the impassionate look upon reality that characterized the masterpieces of Rossellini De Sica and Visconti All the essays in this collection highlight how in responding to the unprecedented challenges of the New Millennium Italian movie makers such as

Garrone Amelio or Olmi are able to recapture the ethical and methodological spirit of classic Neorealism in very interesting ways

**Mafia Movies** Dana Renga, 2019-07-15 The mafia has always fascinated filmmakers and television producers Al Capone Salvatore Giuliano Lucky Luciano Ciro Di Marzio Roberto Saviano Don Vito and Michael Corleone and Tony Soprano are some of the historical and fictional figures that contribute to the myth of the Italian and Italian American mafias perpetuated onscreen This collection looks at mafia movies and television over time and across cultures from the early classics to the Godfather trilogy and contemporary Italian films and television series The only comprehensive collection of its type Mafia Movies treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American mafia history and culture The second edition includes new original essays on essential films and TV shows that have emerged since the publication of the first edition such as Boardwalk Empire and Mob Wives as well as a new roundtable section on Italy's other mafias in film and television written as a collaborative essay by more than ten scholars The edition also introduces a new section called Double Takes that elaborates on some of the most popular mafia films and TV shows e.g. The Godfather and The Sopranos organized around themes such as adaptation gender and politics urban spaces and performance and stardom

Transcultural Italies Charles Burdett, Loredana Polezzi, Barbara Spadaro, 2020-12-01 The history of Italian culture stems from multiple experiences of mobility and migration which have produced a range of narratives inside and outside Italy This collection interrogates the dynamic nature of Italian identity and culture focussing on the concepts and practices of mobility memory and translation It adopts a transnational perspective offering a fresh approach to the study of Italy and of Modern Languages

Good Italy, Bad Italy Bill Emmott, 2013-04-20 Not long ago Italy was Europe's highly touted emerging economy a society that blended dynamism and super fast growth with a lifestyle that was the envy of all Now it is viewed as a major threat to the future of the Euro indeed to the European Union as a whole Italy's political system is shorn of credibility as it struggles to deal with huge public debts and anemic levels of economic growth Young people are emigrating in droves frustrated at the lack of opportunity while

older people stubbornly cling to their rights and privileges fearful of an uncertain future In this lively up to the minute book Bill Emmott explains how Italy sank to this low point how Italians feel about it and what can be done to return the country to more prosperous and more democratic times With the aid of numerous personal interviews Emmott analyzes Bad Italy the land of disgraced Prime Minister Silvio Berlusconi an inadequate justice system an economy dominated by special interests and continuing corruption against its contrasting foil Good Italy the home of enthusiastic entrepreneurs truth seeking journalists and countless citizens determined to end mafia domination for good **Delirious Naples** Pellegrino

D'Acierno,Stanislao G. Pugliese,2018-12-11 This book is addressed to lovers of paradoxes and we have done our utmost to assemble a stellar cast of Neapolitan and American scholars intellectuals and artists writers who are strong and open minded enough to wrestle with and illuminate the paradoxes through which Naples presents itself Naples is a mysterious metropolis Difficult to understand it is an enigma to outsiders and also to the Neapolitans themselves Its very impenetrableness is what makes it so deliriously and irresistibly attractive The essays attempt to give some hints to the answer of the enigma without parsing it into neat scholastic formulas In doing this the book will be an important means of opening Naples to students scholars and members of the community at large who are engaged in identity work A primary goal has been to establish a dialogue with leading Neapolitan intellectuals and artists and ultimately ensure that the deliriously Neapolitan dance continues

*The Spaces and Places of Horror* Francesco Pascuzzi,Sandra Waters,2020-01-16 This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings locations spaces and places be they physical imagined or altogether imaginary In *The Philosophy of Horror* No 1 Carroll discusses the geography of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures this use of space is meant to trigger the audience s innate fear of the unknown This notion recalls Freud s theorization of the uncanny as it is centered on recognizable locations outside of the Lacanian symbolic order In some instances a location may act as one of the describing characteristics of evil itself In *A Nightmare on Elm Street* teenagers fall asleep only to be dragged from their bedrooms into Freddy Krueger s labyrinthine lair an inescapable boiler room that enhances Freddie s powers and makes him invincible In other scenarios the action may take place in a distant little known country to isolate characters Roth s *Hostel* films or as a way to mythicize the very origin of evil Bava s *Black Sunday* Finally anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places in Kurosawa s *Pulse* the internet acts as a gateway between the living and spirit worlds creating an oneiric realm where the living vanish and ghosts move to replace them This suggestive topic begs to be further investigated this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser known works for which this

anthology represents the first piece of relevant scholarship      **European Television Crime Drama and Beyond** Kim Toft Hansen, Steven Peacock, Sue Turnbull, 2018-12-05 This book is the first to focus on the role of European television crime drama on the international market As a genre the television crime drama has enjoyed a long and successful career routinely serving as a prism from which to observe the local national and even transnational issues that are prevalent in society This extensive volume explores a wide range of countries from the US to European countries such as Spain Italy the Scandinavian countries Germany England and Wales in order to reveal the very currencies that are at work in the global production and circulation of the TV crime drama The chapters all written by leading television and crime fiction scholars provide readings of crime dramas such as the Swedish Danish The Bridge the Welsh Hinterland the Spanish Under Suspicion the Italian Gomorrah the German Tatort and the Turkish Cinayet By examining both European texts and the European ness of various international dramas this book ultimately demonstrates that transnationalism is at the very core of TV crime drama in Europe and beyond
