## **Good Mistress Guide:**

*Secrets of a Good Mistress* Iva T. Louise, 2011 In *Secrets of a Good Mistress* I share my insights gained from walking the path of the other woman. It gives insights and shines a torch for the millions of women that knowingly or unknowingly have found themselves in this role to illuminate their way. It's a wake up call that asserts that being a mistress is not settling for second best as the mistress does not play second fiddle to the wife. Instead, she has her own distinct valuable role to play outside yet parallel within the dynamic of a marriage. Open to a higher love without ownership. Happiness in sharing without need of possession. The mistress's platform allows a woman to keep to her no's with respect and valuation where a wife is expected to submit and comply. The mistress role allows women to intentionally live lives of freedom, independence, and self-actualization without insecure feelings of guilt, sin, or shame. Full of wit and deeper insights of our very human nature. *Secrets of a Good Mistress* goes to the core as none before, asserting the essential truth that indeed One Woman is Not Enough. Though this path is not for all. Get this book. Learn more. Live more. Love more. Visit [MistressJoys.com](http://MistressJoys.com) for more about the Mistress Network.

[Rules for Dating a Married Man](#) Guy Butler, 2015-05-04 Women who are involved in an affair with a married man often have to walk a balanced tightrope between satisfying their own needs as well as those of the man with whom they're involved. For most women, these affairs usually turn out to be nerve-racking experiences meandering among emotions such as excitement, thrill, and the fears of rejection and abandonment. This is primarily because these women often don't understand what her partner truly wants from her emotionally, physically, or even psychologically. The biggest problem in such an arrangement is that one person often holds more psychological power than the other, and it's usually the married one. This particular imbalance doesn't typically exist to such a tangible degree in conventional relationships where both parties involved have equal amounts to lose or gain. It is this imbalance which often leaves one or both parties confused about their roles and the dynamics in the affair. The purpose of this book is to help you figure out exactly what your man wants and needs from you and to help you to meanwhile enjoy your life while maintaining your own sense of integrity and self-esteem. So for all of you ladies who enjoy walking the spicier road of life, this book will not only help you fulfill your desire of becoming the perfect mate to your married companion, but it will also help you avoid the pitfalls that usually accompany such relationships. Note: While this book may be targeted primarily toward women in heterosexual relationships, the lessons within it are equally applicable to men as well, irrespective of your sexual orientation.

[The Legacy](#) Yvette M. Scholl, 2008-12-01 Leading the things which go bump in the night is Sam Bauer's job. She unwittingly inherited this task from her Uncle Lawrence almost a year ago. As her powers and knowledge grow, Sam must find a way to keep the clans unified against a terrible ancient enemy which has returned from the past. The decisions Sam has to make become even more dangerous than the fangs and claws she sees on a daily basis. The balance between her personal and public life is also blurring. Sam must choose what she will allow herself to become without losing her humanity.
