

UNITED STATES HISTORY RESEARCH PAPER

As part of this U.S. History course, each student is required to complete a research paper. Your first question undoubtedly will be “how long does it have to be”? Well, here is your answer: *five pages*. Fortunately, you may select your topic from a huge pool of possibilities. You may choose *anything* (with my approval) in U.S. History from the years 1830-2000. However, you should keep in mind that this paper **MUST** address a debatable or controversial topic. So, when you choose your topic, choose wisely. Here is an example:

Topic: John F. Kennedy

Question: Who killed JFK?

Possible thesis: Although it is popularly accepted that Lee Harvey Oswald conspired with others to assassinate JFK, it is evident that he indeed acted alone.

What you should gather from this is that if you choose JFK, your paper should not be on the life and times of JFK. Your paper should address a critical question or controversy or debate about JFK. Another possible topic involving JFK could be his handling of the Cuban Missile Crisis. Either way, if you select a person, don't give me their biography. Select something from that person's life, or that they were involved in, so that you can formulate a thesis, find differing opinions in your research, and come to some sort of conclusion.

Another example:

Topic: Westward Expansion

Question: Was our acquisition of the West truly justified by the idea of Manifest Destiny?

Possible thesis: However romantic and heroic the deeds of those who “won the West” for America may have been portrayed, there is indisputable and often ignored evidence to suggest that the West was in fact conquered through manipulation, broken treaties, and outright aggression.

Again, it is important to identify some aspect of your topic that can be debated or discussed. Notice that for this topic I focused on just one part (Manifest Destiny) of westward expansion. You could never give a history of westward expansion in 5 pages. But, you can discuss the idea of Manifest Destiny in five pages. Or, you could discuss the building of the Transcontinental Railroad, or the experience of Donner Party. Focus your paper on something small enough to fit into a five page paper.

Most importantly, **MAKE SURE IT INTERESTS YOU!** Try to select something that you might possibly enjoy learning about. Your enthusiasm for it will come through
