**History of Louis XIV** John S. C. Abbott, 2009-01-01 Abraham Lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which I need I have read them with the greatest interest To them I am indebted for about all the historical knowledge I have Considered what we would now call young adult literature this collection first published between 1848 and 1871 was designed to present a clear distinct connected narrative of the lives of the great figures of world history those people who have been most influential at least as American pastor and historian JOHN STEVENS CABOT ABBOTT 1805 1877 saw it from his 19th century perspective Wildly popular and republished many times under different collected names this replica set mimics the 1904 reprint known as the Makers of History series It will delight students of history as well as show the scholar how history telling has changed over the last few centuries More than 30 other volumes in the series are also available from Cosimo Classics This volume dating from 1870 covers French king Louis XIV 1638 1715 from his birth and childhood and his rule as the boy king to festivities at

the court the revocation of the Edict of Nantes intrigues and wars and more **King of the World Philip**

Mansel,2020-09-01 Louis XIV was a man in pursuit of glory Not content to be the ruler of a world power he wanted the power to rule the world And for a time he came tantalizingly close Philip Mansel s King of the World is the most comprehensive and up to date biography in English of this hypnotic flawed figure who continues to captivate our attention This lively work takes Louis outside Versailles and shows the true extent of his global ambitions with stops in London Madrid Constantinople Bangkok and beyond We witness the importance of his alliance with the Spanish crown and his success in securing Spain for his descendants his enmity with England and his relations with the rest of Europe as well as Asia Africa and the Americas We also see the king s effect on the two great global diasporas of Huguenots and Jacobites and their influence on him as he failed in his brutal attempts to stop Protestants from leaving France Along the way we are enveloped in the splendor of Louis s court and the fascinating cast of characters who prostrated and plotted within it King of the World is exceptionally researched drawing on international archives and incorporating sources who knew the king intimately including the newly released correspondence of Louis s second wife Madame de Maintenon Mansel s narrative flair is a perfect match for this grand figure and he brings the Sun King s world to vivid life This is a global biography of a global king whose power was extensive but also limited by laws and circumstances and whose interests and ambitions stretched far beyond his homeland Through it all we watch Louis XIV progressively turn from a dazzling attractive young king to a belligerent reactionary who sets France on the path to 1789 It is a convincing and compelling portrait of a man who three hundred years after his death still epitomizes the idea of le grand monarque **History of Louis XIV** John Stevens Cabot Abbott,1899 **A/AS Level**

C. Abbott,2017-10-12 Excerpt from History of Louis XIV WE all live a double life the external life Which the world sees and the internal life of hopes and fears joys and griefs temptations and sins which the world sees not and of which it knows but little None lead this double life more emphatically than those who are seated upon thrones Though this historic sketch contains allusions to all the most important events in the reign of Louis XIV it has been the main object of the writer to develop the inner life of the palace to lead the reader into the interior of the Louvre the Tuileries Versailles and Marly and to exhibit the monarch as a man in the details of domestic privacy This can more easily be done in reference to Louis XIV

Than any other king Very many of the prominent members of his house hold left their autobiographies filled with the minutest incidents of every day life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works History of Louis XIV John S.
