Perpetrating the Holocaust Paul R.

Bartrop, Eve E. Grimm, 2019-01-11 Weaving together a number of disparate themes relating to Holocaust perpetrators this book shows how Nazi Germany propelled a vast number of Europeans to try to re engineer the population base of the continent through mass murder A comprehensive introductory essay along with a detailed chronology reference entries primary sources images and a bibliography provide crucial information that readers need in order to understand Hitler's plan as carried out through legislation and armed violence The book also demonstrates that both within Nazi Germany and in other parts of Europe all sectors of society played a role in planning facilitating and executing the Final Solution In addition to entries on nearly 150 perpetrators the book includes 25 primary source documents ranging from government memoranda to first hand observations of Nazi killing activities to field reports from senior officers on the scene of Holocaust killing sites Also included are excerpts from literary memoirs Students and researchers will find these documents to be fascinating statements as well as excellent source material for further research *Hitler's Secret Backers* Sydney Warburg, The book you are about to read is one of the most extraordinary historical documents of the 20th century Where did Hitler get the funds and the backing to achieve power in 1933 Germany Did these funds come only from prominent German bankers and industrialists or did funds also come from American bankers and industrialists American bankers supplied Adolf Hitler with millions of dollars to help build up his Nazi party Warburg was a joint owner of the New York bank Kuhn Loeb he describes three conversations he held with Hitler at the request of American financiers This book was originally published in Holland in 1933 shortly before Warburg's death **Hitler the Pawn** Rudolf Olden, 1936 Seduced by Hitler Adam Le Bor, Roger Boyes, 2001 A macabrely fascinating work recommended Booklist The Hitler Virus Peter Wyden, 2012-02 More than a half century after Adolf Hitler committed suicide in a Berlin bunker the dictator's legacy and influence lives on precisely as he predicted before putting the gun to his head In the spring of 1945 as it became increasingly clear that the Nazi cause was lost Hitler dictated his final political testament to his secretary Out of my personal commitment the seed will grow again one day one way or another for a radiant rebirth of the National Socialist movement in a truly united nation The next day Hitler ended the Nazi regime by committing suicide Respected author and publisher Peter Wyden who himself escaped the Nazis has returned to Germany many times over the years and to his dismay he has found evidence that Hitler's last testament was startlingly accurate Though the Nazi cause had been exposed and vilified worldwide it is still clandestinely cherished by many In the process of documenting manifestations of Hitler's far reaching influence which he termed the Hitler virus Wyden discovered that its carriers were not merely to be found among the older generation but an alarming number of outbreaks of the virus are among the young adults who find in Hitler a moral and spiritual guide aided and abetted by a new breed of right wing academics who make the rewriting of history their mission and a new generation of politicians whose agendas are frighteningly close to those of young Hitler In these often chilling pages Wyden recounts the results of his research and points out that the Hitler virus is indeed still a cause for concern worldwide *Hitler's Warrior* Danny S. Parker, 2014-12-09

Handsome intelligent impetuous and dedicated to the Nazi cause SS Colonel Jochen Peiper 1915-1976 was one of the most controversial figures of World War II After volunteering for the Waffen SS at an early age Peiper quickly rose to prominence as Heinrich Himmler's ever-present personal adjutant in the early years of the war Sent later to the fighting front with the fearsome 1st SS Panzer Division Peiper became a legend for his flamboyant and brutal style of warfare As one of Hitler's favorites he was chosen to spearhead the Ardennes Offensive later known as the Battle of the Bulge After the war Peiper became the central subject in the bitterly disputed Malmédy war crimes trial Convicted but later released he moved to eastern France There he and his past were discovered and he died in a fiery gun battle by killers unknown even today In Hitler's Warrior historian Danny Parker describes Peiper both on and off the battlefield and explores his complex personality The rich narrative is supported by years of research that has uncovered previously unpublished archival material and is enhanced with information drawn from extensive interviews with Peiper's contemporaries including German veterans This major new historical work is both a definitive biography of Hitler's most enigmatic warrior and a unique study of the morally inverted world of the Third Reich
