fantasy cosmos where even the angel of darkness needs some assistance Death comes to everyone eventually on Discworld And now he s come to Mort with an offer the young man can t refuse No literally can t refuse since being dead isn t exactly compulsory Actually it s a pretty good deal As Death s apprentice Mort will have free board and lodging He ll get use of the company horse And he won t have to take any time off for family funerals But despite the obvious perks young Mort is about to discover that there is a serious downside to working for the Reaper Man because this perfect job can be a killer on one s love life Terry Pratchett s profoundly irreverent bestselling novels have garnered him a revered position in the halls of parody next to the likes of Mark Twain Kurt Vonnegut Douglas Adams and Carl Hiaasen **Eric** Terry Pratchett,2012-12-20 Eric calls up a demon to grant him three wishes but what he gets is the Discworld s most incompetent wizard Eric is the Discworld s only demonology hacker The trouble is he s not very good at it All he wants is the usual three wishes to be immortal rule the world and have the most beautiful woman fall madly in love with him The usual stuff But what he gets is Rincewind the Disc s most incompetent wizard and Rincewind s Luggage the world s most dangerous travel accessory into the bargain Terry Pratchett s hilarious take on the Faust legend stars many of the Discworld s most popular characters in an outrageous adventure that will leave Eric wishing once more this time quite fervently that he d never been born Readers adore Eric Packed with references and laugh out loud scenes and I enjoyed myself immensely Goodreads reviewer Rincewind and The Luggage are two of my favourite characters and Death makes an appearance too He is just brilliant one of Pratchett s many masterpieces of imagination The book is laugh aloud funny as all his books are Goodreads reviewer Fresh and funny and fast paced and so damn entertaining It reminded me exactly why I fell in love with Pratchett s Discworld in the first place Goodreads reviewer Rincewind takes the reader and this time Eric and a parrot on a hilarious frenetic and fast paced journey for running away is his specialty True British comedy and wit rollicking fun Goodreads reviewer This is one long sequence of gags that manages to have several shrewd observations about humanity while still being funny Goodreads reviewer **Soul Music** Terry Pratchett,2005 Be careful what you wish for You never know who might be listening There s no getting away from it From whichever angle Death is a horrible inescapable business But someone s got to do it So if Death decides to take a well earned moment to uncover the meaning of life and discover himself in the process then there is going to be a void of specific dimensions that needs to be occupied particularly so when there is trouble brewing in Discworld There aren t too many who are qualified to fill Death s footsteps and it certainly doesn t help the imminent cataclysm that the one person poised between the mortal and the immortal is only sixteen years old **Discworld and the Disciplines** Anne Hiebert Alton,William C. Spruiell,Donald E.
