Creative Ideas for Children's Worship - Year B

Sarah Lenton, 2012-05-01 One of the biggest challenges for worship leaders and educators is coming up with ideas for including children in worship. These books provide a whole year's worth of activities and ideas complete with artwork and visual aids. The activities have been developed and used in an Anglican parish Church of England over the last decade by a professional educator, artist, and experienced children's minister. The worship outlines include simple children's liturgies and a complete lesson or story plan that harmonizes with the lectionary. Through fun ideas, children encounter a real aspect of the Christian faith focused on a theme from each Sunday's Gospel. Each outline includes a variety of options which make them appropriate for small and large groups of children as well as mixed age groups. Illustrated throughout the text and full color artwork are included on a CD-ROM for downloading, printing, and copying.

Messianic Ideas and Movements in Sunni Islam
Yohanan Friedmann, 2022-06-16 Expectation of a redeemer is a widespread phenomenon across many civilizations. Classical Islamic traditions maintain that the mahdi will transform our world by making Islam the sole religion and that he will do so in collaboration with Jesus who will return as a Muslim and play a major role in this apocalyptic endeavour. While the messianic idea has been most often discussed in relation to Shi'i Islam, it is highly important in the Sunni branch as well. In this groundbreaking work, Yohanan Friedmann explores its roots in Sunni Islam and studies four major mahdi claimants: Ibn Tumart, Sayyid Muhammad Jawnpuri, Muhammad Ahmad, and Mirza Ghulam Ahmad, who made a considerable impact in the regions where they emerged. Focusing on their religious thought and relating it to classical Muslim ideas on the apocalypse, he examines their movements and considers their achievements, failures, and legacies, including the ways in which they prefigured some radical Islamic groups of modern times.

Children's Daily Prayer 2024-2025 Jonathan F. Sullivan, 2023-12-18 Throughout the history of the Church, Christians have consecrated time by pausing at various moments throughout the day to pray the Liturgy of the Hours. Guide for Celebrating Liturgy of the Hours: Children's Daily Prayer is a form of the Liturgy of the Hours adapted for children. It helps guide children in a daily service of communal prayer following the pattern of the Church's Morning Prayer. The heart of this annual resource is a simple order of prayer for each day and week that can be easily led by a child. Designed to fit seamlessly into your day, the entire prayer service takes no more than five to eight minutes. Daily Scripture texts have been carefully selected to help children walk through the Bible and become familiar with the great stories and themes of salvation history. Children's Daily Prayer 2024 through 2025 includes an order of prayer for each day and week of the school year from August 18, 2024, to June 27, 2025. Prayer services suitable for classroom and large gatherings for solemnities, feasts, and other special occasions. An About the Season section explaining each liturgical time, its character, and how to create conducive prayer environments. Send home pages connecting children's classroom and home lives. Instructions for parents on using the book.
