Markus, Planter of Trees Elizabeth Meyer Liener,2012-09-13 Growing up in the idyllic town of Bardejov Czechoslovakia before World War II Marcus Rosenbergs rights and freedoms as a Jew were protected by a democratic government When the fascist Hlinka party gained control of the country in 1939 however the situation took a dramatic turn Sympathetic to the Third Reich the new government instigated a vast number of Nazi like anti Jewish laws and began deporting its Jewish citizens to the east The Rosenberg family was torn apart by war deportations and horrific experiences in the Nazi death camps Miraculously Marcus Rosenberg and three of his siblings survived returning to Bardejov to rebuild their lives Within a few short years the country was again taken over this time by Communists and the Rosenbergs escaped to the United States In Markus Planter of Trees author Elizabeth Meyer Liener narrates the daring and courageous story of Marcus Rosenbergrevealing tragedy and renewal the building of a new life lofty dreams endless work and noteworthy accomplishments She shows how Rosenbergs inspiring and important successes came not only in the world of business but in the world of philanthropy and religious perpetuity as well He was a man of tenacity and perseverance a role model and a builder of community **San Francisco Jewish Bulletin** ,1979 Promoting All-Round Education for Girls Patricia P. K. Chiu,2020-06-02 Promoting All Round Education for Girls presents the history of Heep Yunn School one of the oldest girls schools in Hong Kong Amalgamated from two British mission schools founded in the 1880s for destitute girls and daughters of Christian parents and renamed Heep Yunn School in 1936 the institution has witnessed and responded to the dramatic changes of Hong Kong over the years By the time of the outbreak of the Second World War Heep Yunn had expanded to offer a full Chinese middle school course for girls based upon Christian principles of all round education The school expanded rapidly after the war and became a bilingual institution to meet the demand for English language education Eventually English would become the primary medium of instruction soon after the introduction of nine year universal education in 1978

Heep Yunn strives to provide a full fledged all round education in the midst of political and education reforms The school opted to switch its status from a government aided school to a direct subsidy scheme school in the early 2010s so as to retain a larger degree of autonomy This history of Heep Yunn School documents the concerted efforts of the school council staff students alumnae and parents to achieve the evolving visions of Christian education for girls as Hong Kong grew from a colonial trading port to a global financial centre in the twenty first century Promoting All Round Education for Girls convincingly charts the shifting purposes and practices of girls education in Hong Kong The text moves seamlessly between the history of the school and the wider context of Hong Kong s history Patricia P K Chiu illustrates how the school s educational policy evolved according to the wider strategies and shifts that relate models of femininity and nation building Joyce Goodman University of Winchester This solidly referenced work provides a balanced and detailed outlook on the unique evolving features of education in Hong Kong It shows the effects on Heep Yunn School of major historical changes in education policy and how the school has contributed to the education of girls in Hong Kong in periods of dramatic challenge like the Sino Japanese War and the disturbances of the late 1960s Ruth Hayhoe University of Toronto Indianapolis Washington High School and the West Side Eddie Bopp,2010-11-29 The 68 year existence of Indianapolis Washington High School is described in a decade by decade history with an emphasis on people and athletics as well as focusing on individuals from the World War II and Vietnam eras The varied lists of both a factual and subjective nature will be of interest to many in central Indiana The Spirit of Missions ,1934 Includes the proceedings of the annual meeting of the Society
