Kindom Ministry June 2014:

Power of the Holy Spirit Rev. Dr. Marcelline B. Mudisi - Robinson, 2019-11-27 The dramatic shift related to God's Holy Spirit that occurred on the Day of Pentecost immediately following Christ's death and ascension to heaven God's actions on that day were a monumental event in human history and in His great master plan of salvation God's Holy Spirit was poured out and made available not just to the disciples and Israel but to nations far off and to all that God may call Through His Spirit God works for us and through us to bring us into His Kingdom 1 Corinthians 12:7 NIV Now to each one the manifestation of the Spirit is given for the common good Jesus said in John 14:12 NIV Very truly I tell you whoever believes in me will do the works I have been doing and they will do even greater things than these because I am going to the Father

We Are Created in God's Image Rev. Dr. Marcelline B. Mudisi-Robinson, 2019-09-09 When God created man in His own image He purposed that mankind both man and woman would resemble God in certain ways and share certain characteristics of His divine nature God loves and values life He knew us all before we were even born God has a purpose and a destiny for every one of our lives Your knowledge or lack of knowledge concerning this truth does not alter the fact that God has a purpose and a destiny for your life So how can I discover and fulfil my God given destiny Before we were even born God ordain our days and then knitted us together in the womb Made in God's Image All parents are to dedicate their time to teach their children when they are still young about definition of destiny Destiny is defined as A course or path in life that includes both the God given destination you are seeking at life's end and your own faith filled journey toward that destination Children will learn that even though all people are made in God's image God deliberately made them individually unique as wonderful and beautiful to displays of his power and glory Ecclesiastes 12:1 NIV Remember your Creator in the days of your youth before the days of trouble come 1 Know that we all have a God given destiny 2 Know that our destiny can be life changing 3 Know that our destiny keeps us motivated being led by The Holy Spirit always *Governing the Feminist Peace* Paul C. Kirby, Laura Shepherd, 2024-04-02 The Women Peace and Security WPS agenda is celebrated as a landmark global framework for achieving gender equality in peace and security governance Its power is visible in two decades of United Nations resolutions national action plans regional initiatives and countless activist academic and philanthropic projects Yet despite this vitality it is haunted by failure as a lack of political will and stubborn patriarchal resistance frustrate its promise This book offers a groundbreaking critical account of the WPS agenda exploring its evolution in relation to the wider politics of global governance and feminism Paul Kirby and Laura J Shepherd argue that WPS is not a settled cohesive policy but a field in flux defined and disrupted by a growing number of national supranational subnational and transnational agents who in turn act on an expanding catalogue of threats from climate change to homophobia challenging traditional boundaries of peace and security Kirby and Shepherd reconceptualize WPS as a policy ecosystem tracing interaction and contestation around the agenda across levels from the UN Security Council to military alliances to feminist activists They

combine analysis of a vast dataset of policy documents with key informant interviews and close readings of diplomacy statecraft the politics of indigeneity counterinsurgency antimilitarism human rights and the arms trade across the first twenty years of WPS Far reaching and incisive Governing the Feminist Peace poses a provocative question What if we abandoned the idea of the WPS agenda as a unified political project altogether

What's Wrong with Rights? Nigel Biggar, 2020. *What's Wrong with Rights?* argues that contemporary rights talk obscures the importance of civic virtue, military effectiveness, and the democratic law legitimacy. It draws upon legal and moral philosophy, moral theology, and court judgments. It spans discussions from medieval Christendom to contemporary debates about justified killing.

Domestic Application of the ECHR Eirik Bjorge, 2015-10-22. Domestic courts are entrusted with the application of the European Convention on Human Rights (ECHR) as faithful trustees of the rights protected in the Convention. This book analyses the way in which the domestic courts in the United Kingdom, France, and Germany apply the ECHR and how, applying the Convention, they define their relationship with the European Court of Human Rights. Contrary to what others have contended, the book argues that it is not true descriptively nor desirable normatively that the domestic courts approach the ECHR based upon friction and assertion of sovereignty vis-à-vis the European Court. The proper role played by the domestic courts and the one which they have taken on them to perform in fact is to apply the Convention in all good faith, building on the principles of the Convention as set out in the jurisprudence of the European Court. But if domestic courts are in a position to apply the ECHR in the first place, it is because the application of the Convention has been entrusted to them by the other organs of the municipal state. In certain cases, municipal principles of the separation of powers have an important bearing on domestic interpretation and application of the Convention. *Domestic Application of the ECHR: Courts as Faithful Trustees* shows that through their faithful application of the ECHR, domestic courts can and do make a positive contribution to the development of the law of the Convention.
