The Final Reckoning chad stone,2011-03-17 The World is in the throes of great turmoil both economic and otherwise much like we find it today A great evil has risen to take power over the inhabitants of the Earth It is the end of days the hour spoken about within the teachings of most of the major religions of the world The final events are now occurring and the judgment of the people has all but been completed There are however a precious few who have yet to be judged There emerges a champion of the people who pleads with God for an extension of time so that he may prove that just one of these remaining souls will show proof strong enough to save the entire Human Race This can be nothing short of a radical and complete transformation He is up against all odds and the power of the Devil himself and he is unable to influence the change that he proposes in any way Cindy Genopolis a Prostitute drug user Dennis Singleton an Atheist family man Sly Lawrence Tidwell a lifelong con man and petty criminal These are the types of people that this champion must rely on to demonstrate this miracle of a change in order for the Earth and its inhabitants to be saved Can the impossible happen Can one of these

remaining people actually make a complete transformation of heart and soul in just seven days Will the Earth survive the onslaught of evil and corruption that grows stronger by the second Does the Human Race still contain enough righteousness to be saved It is not predicted so In fact most Prophecy foretells of great suffering turmoil and finally total destruction Changing these prophecies is said to be impossible Is it or can one soul save us all There are only seven days left to find out
