This collection explores the bitter feelings of isolation loss and denounces religion from various personalities Here we will be introduced to poltergeists newly born ghost entities learning about the afterlife and spirits that are stuck in the netherworld While some of these ectoplasmic beings may come across as innocent at times their stories unfold in a manner to inform the reader as to why they were not allowed into the heaven or allowed to have a peaceful afterlife With such harsh karma affecting their transitions its no wonder why these phantoms have chosen to haunt rather than ascend They simply can t The tales concocted here are tales of tormented souls out for revenge or they are finding ways to fight off the boredom that comes with eternal damnation So keep the lights on and don t read these tales alone Who knows if you ll be haunted next or reach the end of the line A R Braun writes this book from his own personal experiences in dabbling with the occult and esoteric As horror author of over 14 publications this collection of ghost stories spans over 9 years of writing experience And simply put the ghosts in this anthology are jerks
