**Between Fault Lines and Front Lines** Katja Hujo,Maggie Carter,2022-06-02 Inequality is one of today s greatest challenges obstructing poverty reduction and sustainable development As the power of elites grows and societal gaps widen institutions representing the public good and universal values are increasingly disempowered or co opted and visions of social justice and equity side lined This book explores the roles of elites and institutions of power in the deepening of social and economic cleavages across the globe by asking how inequalities have reshaped structures from the local to the transnational level and what consequences they have wrought In addition the contributors present examples of peaceful processes of policy change that have made societies greener and more socially just levelled out social stratification and devolved power and resources from elites to non elites or towards marginalized or discriminated groups Based on cutting edge empirical research the chapters in this volume bring together conceptual thinking and a number of case studies from the Global North and South combining different levels of analysis and a range of qualitative research methods to present solutions for closing the inequality gap

At the Front Lines of Medicine Howard Waitzkin,2004-08-17 In this book Dr Waitzkin offers a comprehensive analysis of the current problems of costs coverage and access to medical care in the United States He takes the reader into the examination room with vivid patient doctor encounters that portray dilemmas patients frequently face Dr Waitzkin describes how changes in medical care have affected the decision making of doctors as well as communication between patients and doctors He offers an analysis of how spiraling costs managed care organizations declining coverage and new technologies have changed the decisions and the course of care chosen Visit our website for sample chapters

**Front Lines** ,2005 *Running Wire at the Front Lines* Louis J. Lauria,2014-01-10 This compelling memoir tracks the war experiences of a radio wireman in the 11th Infantry Regiment of

the Fifth Infantry Division Born in Brooklyn and having left school in the sixth grade to work the author enlisted at the age of 17 The book explores his time in combat when he laid down wire for radio communications often along the front lines and during battles always alert for German troops Featured are his sketches of the scenes of his work with fellow soldiers Particular attention is paid to the role of the wireman and the history of the Fifth Infantry Division **Burning Out on the COVID Front Lines** Dhaval R. Desai, M.D.,2023-11-07 This memoir tells the story of Georgia physician Dhaval Desai s life during the Covid 19 pandemic As a new father frontline physician and healthcare leader on the brink of burnout and a member of an ethnic minority in the South his tale is marked by chaotic intersections Throughout his commitment to fostering and advocating for caring and compassion in the practice of medicine shines as Desai shares his unique perspective

**On the Front Lines of Pennsylvania Politics** John M. Baer,2012-09-25 Enjoy a fun look at behind the scenes politics and personalities in the history of Harrisburg and the Keystone State Pennsylvania first home of the Declaration of Independence and the Constitution has a tradition of political progress However along with the good the political playground of Pennsylvania has also seen the brazenly bad behavior of its political leaders For over twenty five years political columnist John Baer has had a front row seat to the foibles and follies of the Keystone State s political system Baer takes readers through his memories of covering state politics for the last quarter century from Democratic governor Milton Shapp s short lived run for president in which he finished behind no preference in the Florida primary to highlights of some of the game changing campaign missteps and maneuvers that moved administrations in and out of the capital With a delightfully gruff wit Baer gives readers a behind the scenes view of the politics and personalities that have passed through Harrisburg **On the Front Lines of the Cold War** Donald Paul Steury,1999 **Behind the Front Lines of the Civil War** Vladimir N. Brovkin,2015-03-08 Countering the powerful myth that the civil war in Russia was largely between the Whites and the Reds Vladimir Brovkin views the struggle as a multifaceted social and political process Brovkin focuses not so much on armies and governments as on the interaction of state institutions political parties and social movements on both Red and White territories In the process he exposes the weaknesses of the various warring factions in a Russia plagued by strikes mutinies desertion and rebellions The Whites benefited from popular resistance to the Reds and the Reds from resistance to the Whites In Brovkin s view neither regime enjoyed popular support Pacification campaigns mass shooting deportations artillery shelling of villages and terror were the essence of the conflict and when the Whites were defeated the war against the Greens the peasant rebels went on Drawing on a remarkable array of previously untapped sources Brovkin convicts the early Bolsheviks of crimes similar to those later committed by Stalin What emerges behind the front lines is a picture of how diverse forces Cossacks Ukrainians Greens Mensheviks and SRs as well as Whites and Bolsheviks created the tragic victory of a party that had no majority support This book has important contemporary implications as the world again asks an old question Can Russian statehood prevail over local regional and national identities Originally published in 1994 The Princeton

Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Echoes from the Trenches: Tales from the Front Lines of War** Pasquale De Marco,2025-04-08 In the annals of human history war has been a constant companion leaving an indelible mark on the lives of countless individuals and shaping the destiny of nations This book delves into the heart of war exploring the stories of those who have lived and fought amidst its chaos and devastation Through the eyes of soldiers civilians and leaders we witness the indomitable spirit of those who faced unimaginable horrors and emerged with their humanity intact We learn from the mistakes of the past seeking to understand the root causes of conflict and the paths towards lasting peace This book is a tribute to the resilience of the human spirit the power of hope in the face of adversity and the unwavering belief in a future where peace prevails It is a call to action urging us to remember the sacrifices of the past and work towards a world where war is a relic of the past Readers will be captivated by the gripping narratives the poignant reflections and the profound insights into the human condition This book is a must read for anyone seeking a deeper understanding of war its impact on individuals and societies and the enduring legacy of those who have fought and sacrificed Within these pages you will find stories of courage resilience and hope You will encounter characters whose lives have been forever changed by war and you will gain a new perspective on the complexities of human nature This book is a powerful reminder of the devastating impact of war but it is also a testament to the resilience of the human spirit It is a call to action urging us to work towards a world where peace prevails If you like this book write a review

*The Helpers: Profiles from the Front Lines of the Pandemic* Kathy Gilsinan,2022-03-01 A deeply moving narrative of the coronavirus pandemic told through portraits of eight individuals who worked tirelessly to help others In March 2020 COVID 19 overtook the United States and life changed for America In a matter of weeks the virus impacted millions with lockdown measures radically reshaping the lives of even those who did not become infected Yet despite the fear hardship and heartbreak from this period of collective struggle there was hope In *The Helpers* journalist Kathy Gilsinan profiles eight individuals on the front lines of the coronavirus battle a devoted son caring for his family in the San Francisco Bay Area a not quite retired paramedic from Colorado an ICU nurse in the Bronx the CEO of a Seattle based ventilator company a vaccine researcher at Moderna in Boston a young chef and culinary teacher in Louisville Kentucky a physician in Chicago and a funeral home director in Seattle and Los Angeles These inspiring individual accounts create an unforgettable tapestry of how people across the country and the socioeconomic spectrum came together to fight the most deadly pandemic in a century Beautifully written and profoundly moving *The Helpers* is about ordinary people who stepped up to meet an extraordinary moment This is the story of how we beat the pandemic Gilsinan writes but I

hope that it someday serves as an introduction to the story of how we made a better country That future starts with people like the ones in this book      **Dead Cow Road - Life on the Front Lines of an International Crisis** Mark

Wentling,2017-05-15 Dead Cow Road is a compelling work of historical fiction that focuses on the US response to Somalia s 1992 famine US Foreign Service Officer Ray Read reluctantly accepts an assignment not of his liking but he persists in doing his duty for his country in war torn Somalia in spite of his contrary views and tortuous personal problems Through Ray s eyes the reader is provided an inside account of the US government s controversial handling of Somalia s complex emergency The daunting challenges of coping with the harsh realities of a ruined country while trying to do good amid dangerous chaos are amply communicated This book also imparts key facts about the history people and places of this troubled region of Africa Given current interests and issues regarding the United States involvement in troubled areas of the world this book is timely Although Ray knows virtually nothing about Somalia he is thrust into Somalia s intractable problems and obliged to deal with some of its most unsavory actors He finds some relief from the stress of Somalia and his marital problems by striking up a chance romance with a beautiful Kenyan woman Ray lays his life on the line more than once but his sacrifices are not recognized In the end he is portrayed as a mere cypher in a larger and rapidly unfolding intense scene of unpredictable international consequences This well crafted and gripping story combines exceptional political analysis with lively human drama It also blends fictional characters with real life people The author demonstrates that he is a masterful researcher who has an exhaustive command of Somalia s grim predicament He artfully melds the results of his research with his firsthand experiences in Somalia to produce a remarkable book that educates and entertains His previous three books an African trilogy established his high reputation as an authority on Africa This book solidifies this reputation The author is one of the rare people on Earth who has visited or worked in all fifty four African countries      On the Front Lines of Leadership

Canadian Defence Academy,2006 Distributed by the Government of Canada Depository Services Program      Front Lines Lorraine Mary York,1991 This first full length study of Timothy Findley argues that his novels and short stories are part of a system of war texts Not only is Findley s fiction haunted by the specter of war it is also a compulsive testament to the infinite repetitions of war in domestic gender and class conflicts Influenced by feminist literary theory the workings of literary intertextuality and the new historiography the study shows how war as a literary device as well as various historical wars documents of war and literary war texts inform the novels and stories of Timothy Findley to such an extent that war becomes an integral part of their signifying systems      **BattleTech: Front Lines** Jason Schmetzer,Philip A. Lee, HONOR

DESPERATION JIHAD Inhuman cybernetic soldiers invade a peaceful world bringing terror and misery in the name of a new flag A young soldier part of the most maligned military machine in history struggles to find meaning in his service And the prince of a star spanning empire discovers that not even he can protect the people he loves Ten stories of combat honor betrayal and death fill the pages of Front Lines BattleCorps Anthology Volume 6 Readers will recognize familiar names in

BattleTech lore among the authors Steven Mohan Jr and Blaine Lee Pardoe who welcome newer writers such as Jason Hansa Christopher Purnell and Craig A Reed Jr These writers have shaped the direction of the BattleTech universe In 2009 with these stories they told the stories that demonstrated the indomitable will that has carried BattleTech readers across more than 25 years of publication

## Adopting the Beat of Appearance: An Emotional Symphony within **Lines Of Departure Frontlines English Edition**

In a global used by screens and the ceaseless chatter of immediate communication, the melodic elegance and emotional symphony developed by the published word usually disappear into the background, eclipsed by the persistent noise and disturbances that permeate our lives. But, set within the pages of **Lines Of Departure Frontlines English Edition** a stunning literary value brimming with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this fascinating masterpiece conducts visitors on a psychological trip, well unraveling the concealed melodies and profound affect resonating within each cautiously constructed phrase. Within the depths of the poignant evaluation, we will investigate the book is central harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
