

Lucky Daze

A photograph of a sunset over the ocean. The sun is a bright, glowing orb on the horizon, casting a long, shimmering reflection across the water. The sky is a mix of orange, yellow, and light blue. The ocean has dark, rolling waves in the foreground and middle ground, with the sun's light reflecting off the water's surface.

Lucky Daze Path To Paradise:

The Farther Side of Paradise W. Thomas McDaniel Jr., 2014-07-31 Man's Flight Through Life Is Sustained By The Power Of His Knowledge Of Jesus Christ **Surviving Paradise: True Backpacking Survival Adventures** Ryan

Starr, 2021-06-01 Ryan Starr is a backpacking legend with a heart for our world and its many wonders This camping novice became a survival expert as he wandered the globe taking every risk that fell his way With humor persistence and a good bit of luck Ryan lived to tell the tale He's not sure just how many times he stared death in the face but Ryan would do it all again in a heartbeat He's left bits and pieces of his self and his psyche on uninhabited islands from the Florida Keys to New Zealand and in the lush peaks and valleys of Hawaii and Central America Could you live for a year with just a bit of resourcefulness and the stuff you can fit in your backpack Ryan did And he's recreated every one of his adventures in this wild wacky wonderful book describing how he met the challenge of surviving paradise This paperback is a collection of all four books in the Surviving Paradise series It includes A Year on a Deserted Island in the Florida Keys Backpacking the Hawaiian Islands Discovering New Zealand Backpacking Central America *Stranded in Paradise* Lori

Copeland, 2002-09-14 A woman finds herself once more as well as a wonderful new man on a Hawaiian vacation in this inspirational romantic comedy Tess Nelson is poised to take a well deserved step up the corporate ladder when she suddenly fired With no job and nothing to fill her days just a nonrefundable ticket for a trip to Hawaii Tess decides a tropical vacation is just what she needs But Tess's journey to paradise is a disaster from the beginning A sprained ankle at the airport Then there's the lost contact lens and the lost luggage the lightning storm at a luau and the hotel fire Not to mention the approaching hurricane And the attractive annoying young man who keeps crossing her path and really shaking her up All Tess wants to do is get her life back under control But God it seems has something else in mind like opening her heart to everything her life could be **Let Me Create A Paradise, God Said To Himself** Hirsh Goodman, 2009-04-28 Hirsh

Goodman's childhood in South Africa was white and Jewish in ways he did not initially appreciate While the local culture brutally suppressed the black population Hirsh and his friends marched off to Zionist Socialist meetings full of rhetoric about equality justice and democracy all within the context of Israel By his midteens Goodman could no longer ignore South Africa's anti-Semitism and racism He soon left for Israel never expecting that the promised land of his dreams would also prove to be riven by ethnic and religious conflict It was after marching victoriously through the Sinai as a paratrooper in the Six Day War that Goodman heard David Ben Gurion on the radio warning that Israel must rid itself of its Arab territories lest it become an Apartheid state a warning that had a very specific meaning to the young soldier Then as a journalist Goodman witnessed firsthand all of Israel's subsequent troubles from frontlines to occupied zones to the summits that attempted to find even a temporary peace Let Me Create a Paradise is a wise warm and wry memoir It is one man's life story and the story of two divided nations in two different eras the tragedies in their histories and the hope that still exists for both of them

Birds of Paradise Rudolf Kremers, 2023-07-07 Humanity received a technological upgrade from long dead aliens But there s no such thing as a free lunch Humanity had somehow muddled through the horrors of the 20th century and surprisingly managed to survive the first half of the 21st despite numerous nuclear accidents flings with neo fascism and the sudden arrival of catastrophic climate change It was agreed that spreading our chances across two planets offered better odds than staying rooted to little old Earth Terraforming Mars was the future A subsequent research expedition led to humanity s biggest discovery an alien spaceship camouflaged to appear like an ordinary asteroid Although the aliens had long since gone probably millions of years ago their technology was still very much alive offering access to unlimited power Over the next hundred years humanity blossomed reaching out to the solar system By 2238 Mars had been successfully terraformed countless smaller colonies had sprung up in its wake built on our solar system s many moons on major asteroids and in newly built habitats and installations Jemm Delaney is a Xeno Archaeologist and her 16 year old son Clint a talented hacker Together they make a great team When she accepts a job to retrieve an alien artifact from a derelict space station it looks like they will become rich But with Corps aliens AIs and junkies involved nothing is ever going to proceed smoothly If you re a fan of Julian May Frank Herbert or James S A Corey you will love *Birds of Paradise* Cover art Max Taquet

The Resurrection Men Jennie Dodd,2024-10-11 The Resurrection Men draws inspiration from the notorious legend of Edinburgh s infamous body snatchers Burke and Hare Set in the 1800s this compelling tale serves as a sharp social critique vividly portraying the poverty and deprivation endured by the lower classes The novel exposes the callous exploitation by the upper echelons of society highlighting how wealthy employers often neglected the welfare of their workers Particularly it sheds light on the appalling conditions faced by young children forced to work in the mines where danger to life and limb was a daily reality This powerful grim historical novel employs gallows humour to bring its characters and their struggles to life As the story unfolds it raises profound questions Can desperate circumstances fundamentally change a person s behaviour When subjected to extreme poverty are all humans capable of heinous acts regardless of their inherent nature Above all The Resurrection Men is a poignant love story that will captivate the imagination of any reader leaving them both moved and reflective
