Lying Up A Storm:

Lying Up a Storm Julia Cook, 2015-01-15 A storm is brewing Whenever Levi doesn't like the truth he kinda sorta makes up other stuff to say One day his mother explains to him that telling lies will damage the trust of his friends and make him very sad Whenever you tell a lie your inside sun goes away Then a lying cloud forms and glooms up your day Each time you tell a lie another cloud starts to form and before you can stop it from happening your insides start to storm This book is a great resource to help children understand not only the consequences of telling a lie but also how one lie can often lead to telling several more It will help parents and teachers understand that lying can be a normal and sometimes healthy response for a child and offers tools to help guide children toward truthfulness
