own mantras The Image Maker Avis Cole Attaway LMFT,2018-07-03 We all begin life with dreams We believe in magic

like Santa Claus and the Tooth Fairy Nothing seems to be out of our reach Over time however we learn differently We are
told to stop dreaming and to get our head out of the clouds We are told that if we want something we just need to work hard

for it But even with hard work and persistence those things we desire often remain elusive and just out of reach We try to
think positively and still nothing changes Life begins to feel like something that appears to work for others but not for us We

may even begin to think that we might be cursed because nothing we do seems to turn out as we had hoped Or perhaps those
dreams have come true yet we dont feel as happy or contented as we had expected Something seems to prevent us from

experiencing any joy or satisfaction in life Life is not what we had imagined Imagining is the key We can create the life of our
dreams through the correct use of our mind and construct a new way of being that feels authentic and joyful The Image

Maker will lead you into explorations of your life from every angle and encourage your examination of the conscious and
subconscious beliefs that are currently running your life Then with this information in hand you will be ready to make new
