Asesoramiento sobre la Comunidad Sorda María Dolores, Pérez Ramírez, 2023-08-07 Asesoramiento sobre la Comunidad Sorda es una obra esencial que se adentra en la realidad de la comunidad sorda con un enfoque objetivo y libre de estereotipos A lo largo de sus páginas este libro define de manera precisa las características y necesidades de las personas sordas presentando una visión auténtica y respetuosa de sus experiencias y cultura Además ofrece consejos prácticos para mejorar la comunicación con personas sordas destacando la importancia de comprender las situaciones comunicativas y seleccionar fuentes documentales confiables Este libro cumple con sus objetivos al analizar críticamente la información obtenida brindando una base sólida para aquellos que buscan comprender y apoyar de manera efectiva a la comunidad sorda

Language, Power and Intercultural Communication Alexandru Praisler, 2023-02-26 This book mainly addresses academics and students specialising in translation studies as well as practitioners in the field including translators interpreters and subtitlers It examines the mechanisms and components which make intercultural communication work as well as the forces and actors which hinder it The book's translation translator oriented investigation of how power leaves imprints on the language employed in communicating interculturally goes beyond the descriptive research method embarking upon an analytical one instead The case studies include Romanian political speech and filmic discourse with a political substratum provided with annotations of their associated translations into English In essence the volume considers multimodal translation as discourse and practice in close connection with the politics and policies governing them and under the dominance of the various contemporary media It thus broadens the scope of translation studies traditionally a linguistics oriented field adding reading grids advanced by cultural studies and critical discourse

analysis The Didactics of Audiovisual Translation Jorge Díaz-Cintas, 2008-08-14 While complementing other volumes in the BTL series in its exploration of the state of the art of translator training this collection of essays is solely focused on audiovisual translation one of the most complex and dynamic areas of the translation discipline The book offers an easily accessible yet comprehensive introduction to the fascinating subject of translating films video games and other audiovisual material Offering a balance between theory and practice the main aim of this volume is to provide a wealth of teaching and learning ideas in areas such as subtitling dubbing and voice over without forgetting the newer fields of subtitling for the deaf and audio description for the blind The Didactics of Audiovisual Translation offers exercises and more on a companion website highlighting its fundamentally interactive approach and the activities proposed can be adapted to different learning environments and used with different language combinations <https://benjamins.com/sites/btl/77> *The Visual Made Verbal* Joel Snyder, 2020-10-25 Verbal descriptions of life have been around for centuries but the digital age has made access to those descriptions even more important Dr Joel Snyder an audio description pioneer has created a book and website offering the first overview of the field including its history application to a range of genres description of training techniques and list of resources Audio description brings the visual world to life making theater productions television shows films visual art and events accessible to people who are blind or have low vision Describers employ succinct vivid imaginative words to convey visual images those with sight take for granted Although countries worldwide have taken up the cause the United States has fallen short on research and institutions to study the field Dr Snyder's book helps fill in some of those gaps For decades Joel Snyder has combined his astonishing command of language with his keen attention to detail to create word pictures that stir the mind's eye especially for patrons of the arts whose physical eyes cannot see His book has been long awaited and no doubt will become the standard for prospective audio describers around the world Kelsey Marshall Founding Director of Accessibility The John F Kennedy Center for the Performing Arts Washington DC Dr Joel Snyder is known internationally as one of the world's first audio describers a pioneer in the field of audio description making theater events museum exhibitions and media accessible to people who are blind or have low vision Since 1981 he has introduced audio description techniques in 36 states and D C and in 35 countries He holds a PhD in accessibility audio description from the Universitat Autònoma de Barcelona Dr Snyder's company Audio Description Associates LLC www.audiodescribe.com uses audio description to enhance a wide range of arts projects including video and film museum exhibitions and live events As Director of Described Media for the National Captioning Institute he supervised the production of descriptions for Sesame Street and dozens of feature films and nationally broadcast television his descriptions can be heard at Smithsonian Institution exhibits the Getty Museum the Albright Knox Gallery and throughout the country at National Park Service visitor centers As Director of the American Council of the Blind's Audio Description Project www.acb.org/adp Dr Snyder voiced description for network coverage of President Obama's inauguration in 2009 and 2013 and recently produced the first ever audio described tour of

The Routledge Handbook of Corpus Translation Studies Defeng Li,John Corbett,2024-10-28 This Handbook offers a comprehensive grounding in key issues of corpus informed translation studies while showcasing the diverse range of topics applications and developments of corpus linguistics In recent decades there has been a proliferation of scholarly activity that applies corpus linguistics in diverse ways to translation studies TS The relative ease of availability of corpora and text analysis programs has made corpora an increasingly accessible and useful tool for practising translators and for scholars and students of translation studies This Handbook first provides an overview of the discipline and presents detailed chapters on specific areas such as the design and analysis of multilingual corpora corpus analysis of the language of translated texts the use of corpora to analyse literary translation corpora and critical translation studies and the application of corpora in specific fields such as bilingual lexicography machine translation and cognitive translation studies Addressing a range of core thematic areas in translation studies the volume also covers the role corpora play in translator education and in aspects of the study of minority and endangered languages The authors set the stage for the exploration of the intersection between corpus linguistics and translation studies anticipating continued growth and refinement in the field This volume provides an essential orientation for translators and TS scholars teachers and students who are interested in learning the applications of corpus linguistics to the practice and study of translation

Researching Subtitling Processes Anke Radinger,2025-07-31 Subtitling is almost as old as the motion picture itself It is a very specific form of translation that goes well beyond the transferring of written texts given that the source text the film is a complex combination of spoken and written text together with dynamic images music and sounds But how does one read a film in order to translate it In this volume Anke Radinger investigates what happens in a subtitlers mind especially in various working environments An example of one of these conditions is the introduction of innovative assistive language tools such as AI powered speech to text into traditional subtitling workflows Using methods like eye tracking and keylogging Radinger reviews computer or rather AI assisted subtitling processes practices and workflows while concentrating on aspects such as effort and quality Her

work is a valuable contribution to subtitling process research SPR a young and greatly under researched subfield of audiovisual translation
