You Shall Not Kill Johannes Ude, 2016-11-09 Because the Catholic Church other Christian churches and almost every national government permit exceptions to God's commandment that you shall not kill Johannes Ude examines Catholic moral law to discern whether this commandment has absolute validity or may be modified so that in certain instances it is permissible to kill another human being Written clandestinely during the Hitler regime the book examines the generally accepted Catholic teachings of moral theologians and philosophers and finds that while they almost always reject abortion suicide sterilization and the killing of terminally ill or mentally disabled persons they justify the death penalty and just defensive wars Ude concludes that because Christ commanded to love one's neighbors including one's enemies You shall not kill does not permit any exceptions and denies not only the right but especially the duty of self defense and consequently repudiates all wars Ude firmly believes that the highest authority of the Catholic Church must forbid its members to fight in wars He vehemently opposes the taking of interest usury and names capitalism a major cause of war along with the weapons industry competition for oil and the complicity of Christian churches *British Sport: Biographical studies of British sportsmen, sportswomen, and animals* Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian [British Sport - a Bibliography to 2000](#) Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Maverick's Progress** James T. comprehension of the book of Revelation Blessed are they who read and those who hear the words of this prophecy and keep those things which are written in it for the time is near Rev 1 3 Neglect of the Holy Spirit slothfulness fear and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible We must not forget that while the apostle John wrote the book of Revelation its author is Jesus Christ and he is not an author of confusion but of peace 1 Cor 14 33 This commentary presents a practical discipleship based perspective toward following Jesus into the very heart of his Revelation So as the end of this clamorous age approaches may we truly hear what the Spirit is saying to the churches
